

Administrative Notes

PURPOSE

The Pony Club is a voluntary youth organisation for young people interested in ponies and riding. It has Branches and Centres worldwide but these notes apply only to the United Kingdom of Great Britain and Northern Ireland. Within the UK, it is a Registered Charity, and is subject to Charity legislation and to regulation by the Charity Commission.

The Pony Club's Charitable Purpose is:

- ▶ To promote and advance the education and understanding of the public and particularly children and young people, in all matters relating to horsemanship and the horse.
- ▶ To encourage the development of sportsmanship, unlocking potential by building resilience, confidence, teamwork and leadership skills.
- ▶ To support and develop the volunteering network to strengthen The Pony Club community and sustain life-long engagement with equestrianism.

The Pony Club has been granted constituent Membership of the National Council of Voluntary Organisations (NCVO). This means that The Pony Club is officially recognised as a National Youth Organisation.

The Pony Club is affiliated to **British Equestrian**.

The Pony Club Office is at **Lowlands Equestrian Centre, Old Warwick Road, Warwick, CV35 7AX**, where The Pony Club is managed by a permanent staff responsible to The Board of Trustees.

THE PONY CLUB LOGO

The logo is a registered Trade Mark and should not be altered in any way without the express permission of The Pony Club. The Pony Club logo should not be incorporated, integrated or positioned so closely to any other logo/s that it appears to be part of that or those logos.

It is very important that, as a Branch or Centre representing The Pony Club, you are using an up to date good resolution logo, in order to show that the Branch / Centre is an official representation of the brand.

Copies of the logo and guidance are available on request to Branches and Centres via The Pony Club website, where you can request the specific type of logo you require.

PONY CLUB COLOURS

Full details of The Pony Club colour palette and how to use them for home and professional printing can be found in the brand guidelines document on The Pony Club website.

PONY CLUB BADGES AND TIES

Members can buy badges and ties from their Branch or Centre or from Pony Club Shop. The official Membership badge should be worn at all Pony Club activities when a jacket is worn. The badge should be worn at Branch / Centre rallies, Shows, Branch or Centre Competitions, Area Competitions and at the Championships.

It should be worn on the left lapel of the jacket. For safety reasons, it must be at least 4cm below the collar bone. A coloured felt showing the highest Test standard achieved by the Member is given to Members by their Branch or Centre. It should be worn behind the Membership badge. Sewn-on badges denoting the Test colours are also available up to B Test for Members wishing to wear them on their sweatshirts or at times when the Members badge is not worn.

Officials' Badges – The officials' badges have the same Pony Club design with a coloured enamel scroll attached bearing the title.

- ▶ **Trustee**
Badge has a chrome surround with blue scroll
- ▶ **Area Representative**
Badge has a chrome surround with a red scroll
- ▶ **Sport Chairmen**
Badge has a chrome surround with blue scroll
- ▶ **District Commissioner**
Badge has a chrome surround with a dark blue scroll
- ▶ **Assistant District Commissioner**
Pale blue scroll
- ▶ **Branch Secretary**
Red scroll
- ▶ **Local Committee**
Dark blue scroll
- ▶ **Branch Chief Instructor**
Green Scroll
- ▶ **Instructor's Bar**
Blue bar bearing the word, Instructor
- ▶ **Health & Safety Officer**
Dark green scroll
- ▶ **Treasurer**
Grey scroll
- ▶ **Volunteer**
White oval

From the point of view of third party insurance, officials are advised to wear the

appropriate badge while acting in an official capacity for The Pony Club.

PRESS AND MARKETING

It is in the interests of The Pony Club that its aims and activities are kept in the public eye. Press Releases of Branch and Centre events and invitations can be sent to local press for events. Reports of events should be sent to newspapers immediately after they have taken place. The local BBC and independent radio and television stations are often interested in The Pony Club's activities and you can find templates and information on the officials area of pcuk.org to help you with this type of promotion. If Members are to participate in a radio or television programme, Branches and Centres must inform The Pony Club Office.

MARKETING MATERIALS

The Marketing department can be contacted through The Pony Club Office for any help or advice you may need, and also welcome input into additional resources.

PONY CLUB OFFICIAL CLOTHING

Pony Club clothing is available from **Wainwright Screenprint.**

PONY CLUB PUBLICATIONS

The Pony Club publishes a number of books and e-books on The Pony Club's teaching which are available from Wainwright Screenprint.

HEALTH AND SAFETY AND SAFEGUARDING

Horse Welfare and the Health & Safety of our Members is the absolute top priority for Pony Club UK.

The aim of The Pony Club is to encourage young people to ride and to learn to enjoy all kinds of sport connected with ponies and

riding, however by its nature this inevitably involves some risk. Members should be able to learn to ride and participate in equestrian sports in an environment that is as safe and secure as is reasonably practicable. Taking risks, learning the limits and exploring boundaries is a crucial element in a child's development, hence it is imperative that Members are allowed to take risks in a controlled environment to assist their development and to learn how to enjoy equestrian activity safely. The health and safety guidelines are intended to show how organisers, officials and participants can do what is reasonably practicable to ensure the health, safety and welfare of Members and volunteers at Pony Club activities without unnecessarily restricting their enjoyment and learning.

The health & safety requirements of the Pony Club are decided by The Trustees with direction and guidance from the Health and Safety and Safeguarding Advisory Committee. These are published in the Health and Safety Rule Book and Safeguarding Policy (which can be found on the Pony Club website).

The Health and Safety Rulebook includes the following areas:

Risk Assessments

Risk assessment is the cornerstone of good health and safety management and is a vital tool in preventing and/or reducing the risk of injuries. The Pony Club approach to risk assessment is simple, we ask:

- ▶ 'How can someone get injured?'; and,
- ▶ 'What are we going to do about it?'

Documented risk assessments must be carried out and recorded for all Pony Club activities and events attended by Members.

All areas of a venue/site that everyone has access to should be considered, not just the riding activity or area. Guidelines for the completion of risk assessments and templates are available on the Pony Club website.

Medical and First Aid

A first aider and appointed person must be present at all Pony Club activities. Guidance on the appropriate levels of first aid cover for Pony Club activity and competition can be found in the Health and Safety Rulebook (see First Aid Provision Matrix). The level of medical cover should be considered as part of the risk assessment. Further details can be found in the Health and Safety Rulebook and on The Pony Club website.

Accident Reporting

All injury accidents must be reported using the Risk Reduce online accident reporting website. The full process and link to online Risk Reduce form are available on the health & safety section of the Pony Club website. If in doubt, report it.

Branch Officials' Training (BOT)

What is BOT?

Branch Officials' Training, also referred to as BOT, is a self-guided training package designed to support District Commissioners and branch officials with their roles.

What will you learn?

Through BOT training, you will gain an understanding about:

- ▶ · Your role and responsibilities
- ▶ · How branches should run in accordance with The Pony Club and charity rules
- ▶ · Fundamentals of compliance, including safeguarding, safety, and finance matters

- ▶ · Overview of Pony Club coaching and needs
- ▶ · The IT systems available to support with your membership
- ▶ · Membership offerings

Who can attend?

Before a new District Commissioner can be ratified in post by the Volunteers and Officials Committee, he/she must complete a BOT Course. It is considered that it would be useful to them for other Branch Officials and Committee members also to undertake the training.

The Volunteers and Officials Committee recommends that District Commissioners (and other Branch Officials) should repeat the training at regular intervals during their time in office.

Insurance

A 'frequently asked questions' information section is available on the Pony Club Website, including all contact details for Howden Insurance.

Horse Welfare

Horse Welfare and the Health & Safety of our Members is the absolute top priority for Pony Club UK. It is our core value that horses and ponies are cared for in the correct environment.

Safeguarding Commitment

The Pony Club believes that it is essential that children and young people are encouraged to take part in outdoor activities and sports as part of their development to adulthood. Their participation in sport must be in a secure, safe and fun environment and be protected from harm. The positive effects of involvement with horses can help develop self-esteem,

teamwork and leadership. This can only take place if equestrian sport is effectively regulated and managed by well trained staff and Volunteers.

Safeguarding Policy Statement

The Pony Club has a statutory duty to protect children and safeguard their welfare. Participants in Pony Club activities are entitled to expect a safe and enjoyable environment. The Pony Club policies and procedures are consistent with the British Equestrian (BEF) Safeguarding Policies.

The Safeguarding Policy includes the following areas:

- ▶ Duty of care and responsibilities
- ▶ How to deal with concerns and allegations
- ▶ Safer recruitment practices

Recording Safeguarding Incidents

Any safeguarding incidents/concerns must be logged on the 'MyConcern' portal by the Area Representative or their chosen Area Safeguarding Lead.

INSURANCE

The Pony Club has a comprehensive portfolio of insurance, designed to give protection to the Association and its Members (including Centre Members), Branches, Volunteers and Employees. The insurances are arranged by The Pony Club's broker – Howden, One Creechurch Place, London, EC3A 5AF Tel: 020 7645 9339. Amongst the most important policies are the liability policies. It should be noted that the liability insurances deal with claims made against The Pony Club or Members on a legal liability basis and not a moral liability basis.

The Pony Club Public Liability Insurance

This policy covers claims made against The Pony Club or a Pony Club Branch (based in Great Britain and Northern Ireland) or a person acting on their behalf arising out of the usual activities of The Pony Club or a Branch anywhere in the world. It covers accidental bodily injury to members of the public or damage to their property as a result of negligence. The limit of indemnity is thirty million pounds (£30M) in respect of any one occurrence.

Only normal Pony Club activities are automatically included – if a Branch wishes to engage in an activity outside of the normal activities for a Branch they should notify The Pony Club Office who will consult with insurers if necessary.

If a Branch is asked to provide an indemnity (perhaps by the owner of land that will be used by the Branch for an activity), the wording of any such indemnity must be referred to The Pony Club, Lowlands Equestrian Centre, Old Warwick Road, Warwick, CV35 7AX Tel: 02476 698300. Email: enquiries@pcuk.org: for approval before it is signed by the District Commissioner.

This policy will deal only with claims made against The Pony Club or Branches by third parties and will not cover damage to property belonging to The Pony Club or a Pony Club Branch or property in their care, custody or control. If cover is required for damage to property you should arrange separate insurance.

The Pony Club Employers' Liability Insurance

This policy covers claims made by employees against The Pony Club or Branch (based in Great Britain or Northern Ireland) arising out of the usual activities of The Pony Club or Branch anywhere in Great Britain, Northern

Ireland, the Channel Islands or the Isle of Man (extended to world-wide for temporary visits by employees). It covers accidental bodily injury to any employee including any casual labourer such as a coach. The limit of indemnity is ten million pounds (£10M) in respect of any one occurrence but five million pounds (£5M) for terrorism or asbestos claims.

The Pony Club Members' Personal Liability Insurance

This policy covers claims made against the Member for accidental bodily injury to members of the public or damage to their property arising out of the Member's use or ownership or control of a horse or pony or horse/pony-drawn vehicle at any time – not just at Pony Club activities. Also covered are other persons using the Member's horse or pony or horse/pony-drawn vehicle with the Member's permission, unless such person is insured elsewhere. Cover is restricted to accidents occurring within the United Kingdom or Republic of Ireland

The Member's liability policy is one of 'last resort'. Therefore if any other policy is in place which would cover the claim, the alternative policy will respond before The Pony Club policy. Many household or equine mortality policies will include public liability cover and this will be explored before a claim is accepted under The Pony Club policy.

If the Member is a child and is too young to be found legally liable, then the policy will cover the parent or guardian of the Member for liability arising out of the Member's activities as provided for in the policy. Temporary Members are covered whilst attending Pony Club activities (from time of arrival until time of departure) only if they are attending a rally with a view to joining The Pony Club. This applies to a couple of rallies only.

The limit of indemnity is thirty million pounds

(£30M) in respect of any one occurrence.

The policy does not cover:

- ▶ accidental bodily injury to the Member or anyone in the Members family, household or employ or damage to any such person's property or property in their care, custody or control.
- ▶ accidents occurring whilst the Member is engaged in racing, point to point, steeplechasing, team chasing or any other form of racing other than Endurance Riding or Official Pony Club Race Days and Training Days.
- ▶ accidents arising out of any business activities or the use of the Member's horse or pony or horse/pony-drawn vehicle for hire and reward.
- ▶ The first £250 of any claim for property damage.

For any queries relating to Pony Club insurance please contact:

Catherine Morgan

Catherine.morgan@howdengroup.com

Tel: 020 7645 9339

An Insurance Product Information Document

and the policy wording for The Pony Club Members cover can be printed from pcuk.org under Join Us > Parents Information > Members Insurance

MEMBERSHIP

Branch Membership

Subscriptions (See Rule 8 For Definitions)

	Individual Member	Family Membership (as defined in rule 8.6)	Non-Riding Member
Full Year	£82	£205	£37
Capita- tion	£62	£154	£28

Late Submission Fees

Branches incurring late submission fees as specified in Rule 21.12 will be charged at the following rates:

- ▶ Overdue: £2.00 per Member
- ▶ One month overdue: an additional £3.00 per Member

The Membership shall be calculated on the reported Membership of the Branch for the preceding Pony Club year.

Appeals

In accordance with Rule 20.4 of The Pony Club, the deposit required to lodge an appeal will be £100.00.

Forming a New Branch

Any person wishing to form a new Branch should consult the Area Representative for advice and guidance.

Centre Membership

	Centre Member	Centre Plus Member
Full Year	£37	£82
Centre Revenue Share Incentive	£5	£10

COACHES AND TRAINING

The Pony Club aims to offer the best possible coaching and opportunities to its members at all levels.

Learning about the care and welfare of horses and ponies is paramount to Pony Club ethos. Through working rallies, training, and camps our members can progress in their riding and care knowledge using our achievement badges and tests to help them develop their skills.

Having a Pony Club rally organiser or lead coach is strongly recommended, they will work alongside the District Commissioner. The District Commissioner should always be available to answer queries and discuss problems which may arise. The lead coach must have attended a Pony Club Continuing Professional Development (CPD) course. The lead coach may be a member of the Branch / Centre Committee, and is responsible for:

- ▶ Arranging the instructional programme for rallies and camp (using the **Pony Club Training Pathway** is recommended).
- ▶ Ensuring that facilities are risk assessed before use and that the equipment is ready for each rally/camp.
- ▶ Approve coaches for rallies and be able to brief the coach accordingly.
- ▶ Finding coaches with specialised knowledge.
- ▶ Organising meetings and practical sessions for coaches and ensure that all

coach requirements are up to date.

- ▶ Advising coaches on suitable CPD courses.
- ▶ Organise any relevant training relating to Branch or Centre team selection.
- ▶ Assist in the preparation of members wishing to take their **Pony Club tests**.

Coaches' Courses

The Pony Club believes that part of its mission is to train its own future coaches. Potential coaches come from all age groups but particularly from older members who have had the benefit of being part of The Pony Club community. The Training Committee recommends a specific route for new coaches without a formal equestrian coaching qualification which is the Introduction to Pony Club Coaching Steps 1-3 Courses.

For a course to count as a CPD course, it must be notified to The Pony Club Office, for inclusion on the website at least **one week** in advance of the course date. Courses may be run by any Branch, Centre, or Area, with the approval of the Area Representative. Guidance on what courses to offer can be found on The Pony Club website.

The Pony Club Manual of Horsemanship

The Manual is a complete basic guide to horsemanship and riding. Currently in its updated 14th edition it is a worldwide bestseller, containing information on a wide range of equestrian topics. The manual should be used as the basis for all instruction to members.

Coaching

One of the objectives of The Pony Club is to offer instruction and coaching sessions which enable members to develop both their riding and understanding of equine care. Coaches must base their teaching on The Pony Club Manual of Horsemanship to avoid conflicting methods.

Pony Club coaches are divided into categories according to their use and role within The Pony Club. It is a requirement that all coaches used by The Pony Club are listed as active coaches on PELHAM. Further information can be found on The Pony Club website. Coaches without an up to date Enhanced DBS or Safeguarding certificate must not be used.

The Pony Club Tests

Test Fees

Tests E, D, D+, Road Rider, C, C+ are organised at Branch/Centre level and do not attract standard fees.

B, B+, Lungeing, and AH tests are organised at Area level.

A tests are organised by The Pony Club Office

Charges to cover venues and Assessors' expenses etc. may be levied at the District Commissioner's, Centre proprietors or Area Representative's discretion.

Current Test Fees

B Test	£55 per section
B+ Test	£90
Lungeing Test	£45
AH Test	£170 full test £70 per section
A Test	£230 full test

Assessor Fees

B Test	£140 full day £75 half day
B+ Test	£140 per test (if second test on the same day + £70)
Lungeing Test	£35 per candidate (no more than £170 for a full day)

AH Test	£170 full day £90 half day
A Test	£210

For tests below B Test, the fees may vary, but should not exceed the B Test Assessor Fees for a full or half day.

Test Colours

A coloured disc or felt (obtainable by Branches and Centres from The Pony Club Shop) will be issued to members to denote the test standard achieved. The disc or felt representing the highest test achieved by the Member should be worn behind the membership badge. Successful candidates are also awarded a certificate in the appropriate colour.

The colours should be awarded as follows: -

- ▶ E – Pale Yellow
- ▶ D - Yellow
- ▶ D+ - White
- ▶ C (Horse & Pony Care) - Meadow Green
- ▶ C (Riding) - Silver Grey
- ▶ C both sections - Green
- ▶ C+ (Horse & Pony Care) - Turquoise
- ▶ C+ (Riding) - Burgundy
- ▶ C+ both sections - Pink
- ▶ B (Riding) - Beige
- ▶ B (Horse & Pony Care) - Brown
- ▶ B both sections - Red
- ▶ Lungeing test - Light Blue
- ▶ B+ - Pale Purple
- ▶ AH - Orange
- ▶ AH with Distinction - Orange
- ▶ AH with Honours - Salmon Pink
- ▶ A - Blue
- ▶ A with Distinction - Blue
- ▶ A with Honours - Purple

Reasonable Adjustments

The Pony Club is committed to ensuring that, wherever possible, members are able to access all aspects of the Branch and Centre

activities we offer. Reasonable Adjustments are any actions that help to reduce the effect of a disability or difficulty. They are needed because some disabilities can make it harder for members to take part in activities than it would have been had the member not been disabled. A Member does not necessarily have to be disabled (as defined by the Equality Act 2010) to be allowed an access arrangement. Reasonable Adjustments are intended to increase access to Tests and other activities and are intended to assist Members in demonstrating their attainment without affecting or circumventing the Test requirements. All Reasonable Adjustment Plans will be treated confidentially and only shared with permission from the member and their parent (if under 18yrs old).

Reasonable Adjustments can be used for the Pony Club Tests and should be approved in advance of the Test taking place. Reasonable Adjustments are changes made to an assessment or to the way an assessment is conducted that reduce or remove a disadvantage caused by a student's disability. Reasonable Adjustments will not affect the reliability or validity of the Test outcome nor should they give the Member an assessment advantage over other Members undertaking the same or similar Tests. Where possible the Reasonable Adjustment should reflect a Member's normal way of working. The Reasonable Adjustment is intended to give all Pony Club Members a level playing field in which to demonstrate their skills, knowledge and understanding.

Reasonable Adjustments can also be used to allow for members to take part in activities or competitions. As with Tests these adjustments should be approved in advance of the activity or competition. **For more information, please refer to the Reasonable Adjustment Policy which can be found on the website.**

have an Education, Health and Care Plan (EHCP) which can be used to help plan Reasonable Adjustments. However, the Pony Club will strive to ensure inclusivity for any of its members who need additional support whether or not they have an official statement.

Some Pony Club members may already

PONY CLUB ACTIVITIES

WORKING RALLIES

The working rally continues to be an important part of Pony Club training with the main objectives being to encourage and improve members' riding skills and their knowledge of equine care and management.

Rallies must be advertised at least seven days prior to the date of the rally and organised by Branch / Centre Committees. Nobody can hold a rally or coach at a rally unless authorised by the District Commissioner, Branch Committee or Centre Proprietor.

A working rally is one at which coaching is given and which is open to all members of the Branch / Centre within the age range or ability level for which it is intended, it may be mounted or dismounted. A dismounted rally is usually used for horse and pony care instruction.

The Pony Club syllabus of coaching in The Pony Club Instructors' Handbook offers guidance on how to build a programme. The timetable and the coaching given at Rallies should be carefully planned.

UNSUITABLE HORSES/PONIES AND UNSUITABLE SADDLERY

Members may come to mounted rallies on horses/ponies which are unsuitable for them or with ill-fitting saddlery that is unserviceable. This can make instruction difficult and the safety of both rider and horse/pony must take precedence. Members coming to a rally for the first time who may not know of The Pony Club's standards and training ethos which will need addressing with tact and sympathy and offered in the form of education and encouragement.

At the start of every working rally the coach should observe riders to ensure the correct

gear is worn, and check on the fitting of tack, giving appropriate advice. Where there is a problem, which makes riding impossible, or dangerous, the rider should be asked to dismount and the problem passed to The Pony Club official in charge of the rally. If there is need to involve the member's parents this should be done by the District Commissioner/ Centre Proprietor or the Rally Organiser. Action by the coach is not recommended.

COMPETITIONS

Open Horse Shows and Competitions

To raise funds some Branches and Centres organise shows or competitions that are open to non-Members.

A disclaimer should be included in the programme for all shows and competitions organised by Branches/Centres. The suggested wording is:

"Legal Liability: Save for the death or personal injury caused by the negligence of the organisers, or anyone for whom they are in law responsible, neither the organisers of this event or The Pony Club nor any agent, employee or representative of these bodies, nor the landlord or his tenant, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars, their contents and accessories, or any other person or property whatsoever. Entries are only accepted on this basis.

Health & Safety: Organisers of this event have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers and all the officials and stewards.

Competitors who are not members of The Pony Club are not covered by The Pony Club insurance and must have their own third party cover. The [XX] Branch of The Pony Club/[xx] Pony Club Centre and the organisers of this event are not legally responsible for non-Members and their insurance will not cover you.”

When holding classes for which conditions have been laid down, and judges appointed by a governing body, Branches and Centres are recommended to seek advice from the organisation concerned.

Prizes

It is against Pony Club policy to encourage children to be ‘pot hunters’ and money prizes are forbidden at competitions or shows for Pony Club Members only.

Competitions Open to Members of other Branches or Centres

Members and organisers of events must follow the Rule for Competitions organised by Branches and Centres.

If an event is open to competitors from other Branches or Centres, it is important to put in the schedule under which Rules it is run and any local modifications.

Types Of Competition

DRESSAGE JUDGES

It is recommended that for all Dressage Tests, a Judge from British Dressage's Official Judges Panel is used so that the guidance given to Members is of a high standard. The required list of Judge can be found in the Pony Club Dressage Rule Book.

The British Dressage Judges Panel can be found on the BD website: britishdressage.co.uk

HUNTING

The Pony Club and its Branches are entirely separate organisations to any hunts. Historically Branches were founded by members of local Hunts for the benefit of their farmers' and subscribers' children.

The Pony Club recognises that hunting has changed following the inception of the Hunting Act 2004 on 18th February 2005. As long as hunts are acting within the law, The Pony Club continues to encourage those Members who wish to take part and experience riding across country to do so.

Trail-hunting, hound exercise and exempt hunting are recognised activities that hunts participate in to comply with the current legislation.

EXCHANGES BETWEEN BRANCHES, CENTRES AND INTERNATIONAL VISITS

The Pony Club believes that visits and the exchange of ideas between Branches and Centres offers a great benefit to Members. The sharing of interests with Members from different Branches and Centres and from different countries broadens a Member's experience.

Areas, Branches or Centres wanting to arrange exchanges or visits, where they will be representing The Pony Club, with countries or overseas Branches or Centres must first get permission from The Pony Club Office and their Area Representative. Details of these visits must be sent to The Pony Club Office and their Area Representative who will give guidance and support where possible. At the end of any visit, a written report will be required by The Pony Club Office.

For an exchange that relates to a specific sport please take note of the selection criteria which apply to that sport, available on The Pony Club website.

All International invitations are made direct to The Pony Club Office in conjunction with the Pony Club International Alliance (PCIA).

YOUTH PROGRAMMES

Young Equestrian Leader Award (YELA)

The Young Equestrian Leaders Award is a scheme which recognises the time and effort that young people put in to volunteering in equestrian sport. It is open to Pony Club Members aged between 13 and 25 with three levels available: Bronze, Silver and Gold. The progressive requirements at each level

encourage young people to develop a range of skills, gain experiences and learn more about the industry in view of shaping them to become leaders of the future.

Once registered, young people will be sent a log book to track and record their volunteering, with just 20 hours gaining them the Bronze level. For more information please visit The Pony Club website or email yela@pcuk.org

Schools

The Pony Club is developing a programme joins primary schools up to their local Pony Club Linked Riding Centre to give young people a taster of horse riding and what the sport involves.

Thanks to funding from Sport England and support from British Equestrian, the project offers primary schools around the country access to classroom sessions suitable for classes or whole year groups in years 3-5. These sessions engage students through a variety of fun and creative exercises, whilst introducing the basics of pony welfare. The second stage of the project involves linking the primary school to their local Pony Club Linked Riding Centre so that students can meet the ponies and practically learn about riding and caring for them. All students receive a Pony Club workbook as well as a discount off their first riding lesson should they wish to visit the Pony Club Centre in future.

THE PONY CLUB WEBSITE

Aim

The purpose of The Pony Club Website is to provide a source of information, education and interactive activities for all. It can be found at pcuk.org.

The Branch And Area Sites

All Branches and Areas have their own sub-site which can be accessed and updated. These websites can be found through the "Find a Club" listings on pcuk.org

The District Commissioner should call for a volunteer to take on the responsibility of acting as Web Manager and managing the Branch site. Each Branch is responsible for writing and updating its own Branch pages and must have access to a computer, which can connect to the Internet, in order to do this. Each site can have multiple managers if required. The Pony Club will never ask you for your password.

THE PONY CLUB EMAIL SYSTEM

All Branches and Areas have their own email address ending in @pcuk.org to which all official communications will be sent. At least one member of the Branch committee must have access to this email account and the District Commissioner should ensure that it is checked regularly.

Emails can be accessed through a webmail interface, by using software such as Microsoft Outlook or by adding to a phone or tablet. Access details and further information can be requested by contacting The Pony Club Office or the PELHAM Support hub: <https://pelham.pcuk.org>

Passwords should be changed frequently and kept secure. If responsibility for the email system passes to another volunteer the password should be changed to maintain a high level of security.

THE PELHAM SYSTEM

This system keeps a list of all current and past Members for each Branch or Centre along with information on Branch/Centre Officials and Coaches. All new Members and renewing Members are processed via the online, self-service Member Portal or

The Pony Club Office for both Branch and Centres.

All Branches are required to keep the contact information up-to-date on a regular basis to satisfy both insurance requirements and Data Protection legislation. Branches should also record Tests and Achievement Badges on this system.

Branches must maintain up-to-date coach information, including Disclosure, Safeguarding, First Aid and CPD certifications on PELHAM.

Centres - please regularly check your Membership records. Centres can also record Tests and Achievement Badges on this system. Coach data for Centres will be updated by Centre Co-ordinators or The Pony Club Office.

In addition to holding data, the PELHAM system provides email facility for Branches to use to contact their Members and coaches and facilitates transfer of Members.

When launched in 2023, Branches must update their rallies and events into Pelham, either via the manual function or via one of the entry systems licensed to integrate with Pelham which provide membership validation. A list of these licensed partners will be available on the pcuk.org website

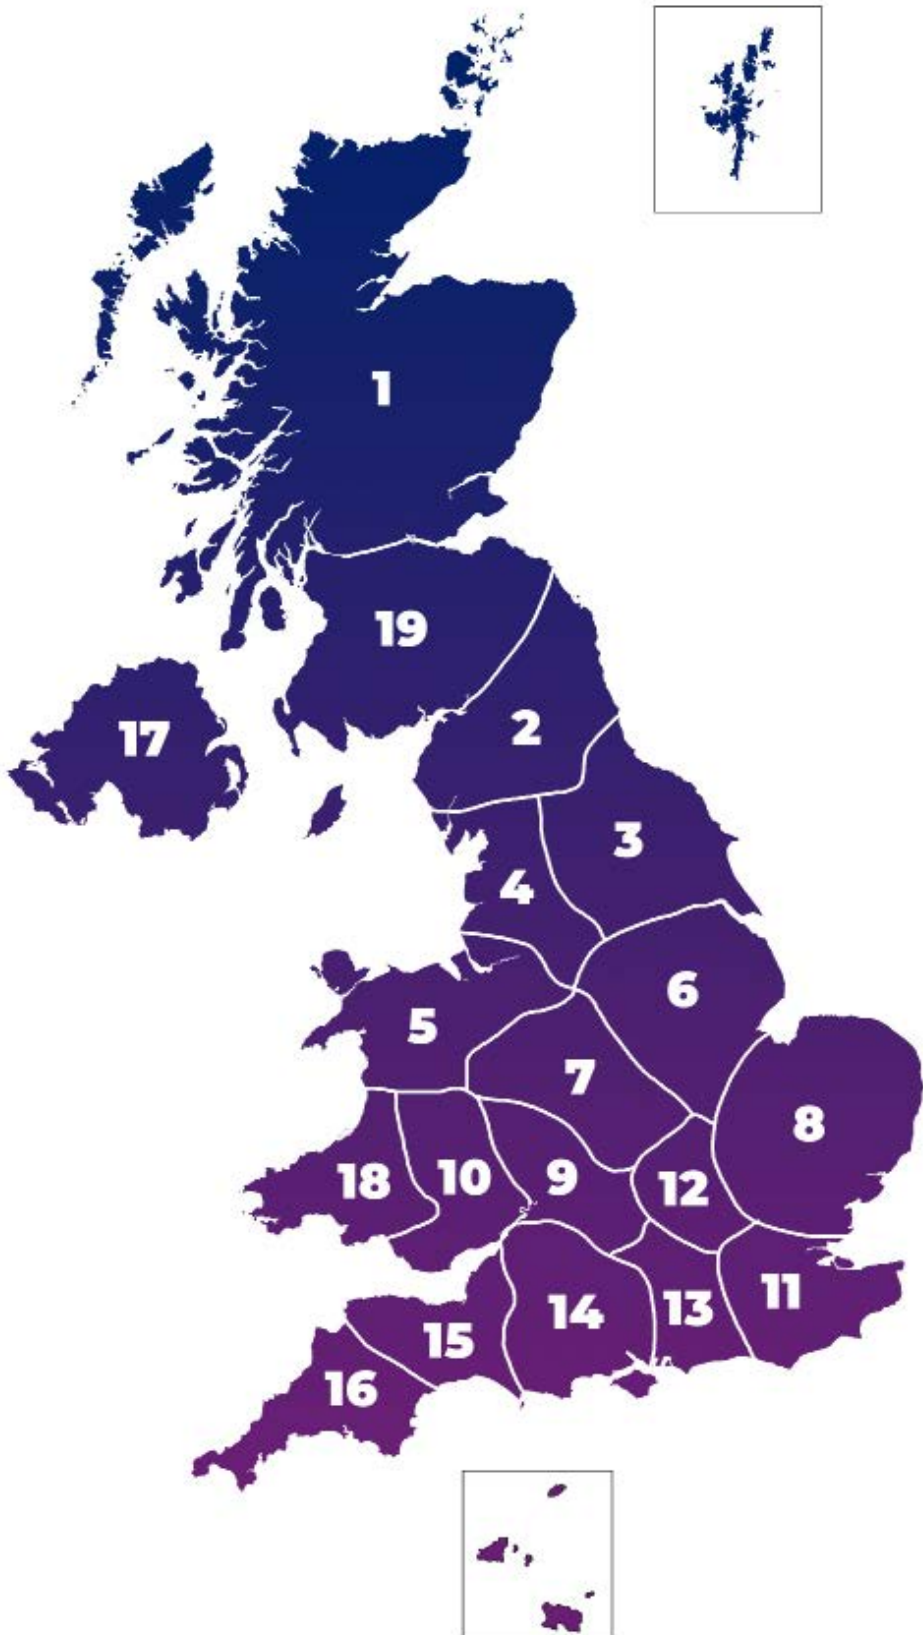

You do not require any special software to access PELHAM; you just need a computer with internet access. Please check the PELHAM support site for user guides and up-to-date information: <https://pelham.pcuk.org>

pence per mile for the first 10,000 miles, and 25 pence per mile for any subsequent mileage.

TRAVELLING EXPENSES

In accordance with Rule 12.5, the currently approved rate when travelling by car is 45
