## **NOTES**

**\*\*XC Portable Fences/Fixed Fences** – These must not be used unless they can be properly and safely anchored. (See Eventing Organisers Handbook, and [Guidance on Cross Country Fences](#). In their place, and especially on surfaces, knock down substitutes should be used, i.e. rustic show jumps or those supplied by specialist manufacturers such as “Jump for Joy”

If local conditions dictate, Organisers can choose not to time the Show Jumping Phase, but the XC phase must be timed.

**Safety Cups** – Safety Cups are mandatory for all Pony Club Show Jumping Competitions including any practice fences. To be used on the back rails of spread fences and middle and back rails of triple bars. They should also be used for all knock down fences in the XC Phase.

It is recommended a BS Course Designer, preferably one with Arena Eventing experience, is used if possible. For Area Competitions this is mandatory. If the course designer is not qualified, then approval must be sought from The Pony Club.

Courses should be built within the dimensions set out in The Pony Club Eventing Rules 2020.

**First Aid** – See The Pony Club Health and Safety Rule Book.
