British Shooting Schools Pistol Championships
“Remote Entry Instructions”

Step 1: Source your targets.
There are two target options, which are accepted for the competition. Downloadable target OR Ready-made targets.

Download and print targets
Download Target Here: https://britishshooting.org.uk/schoolspistolchamps

How to....
• Quantity: Each athlete needs 4x competition targets, therefore print target page 4x.
• Print Quality: High Quality
• Print Size: Print on A4 paper. Set printer options to “Actual Size,” not “Fit to Page”.
• Paper Quality: Print on the reverse of a Pony Club Target. Or Minimum 100 gsm. For best print results we recommend 170 gsm paper.
• Cutting out the target is optional.

Ready-made 10m Air Pistol targets
• NSRA, ISSF or official target suppliers for the BSSPC are accepted.
• Shooting facilities are usually able to provide targets if you shoot at their facility. Contact your Regional Contact if you need assistance.

Official Target Suppliers:
• Tom Rylands: tom@rylands.me.uk  Contact Tom to purchase targets in small, medium or large quantities.  Further BSSPC Target Suppliers visit: https://britishshooting.org.uk/schoolspistolchamps

Shop links:
• NSRA Shop (National Smallbore Rifle Association).
  10m Air Pistol Target (4/89) Telephone 01483 485511 (Mon/Thurs/Fri/Sat/Sun)

• ISSF (International Shooting Sport Federation) quality targets can be purchased on Amazon and other platforms

Step 2: Shoot your targets.

Before Shooting
• Write the athlete name, witness name and target number.
• Number the four targets 1-4 and shoot in ascending order.
• Witness is any responsible adult. (Someone with a Range Officer Qualification is recommended).

To Shoot
• Shoot 5 shots on each of your 4 targets, to complete your 20-shot total.
• Shoot at a distance of 10m.
• Any 4.5mm (.177 caliber) compressed air, CO2 or pneumatic Air Pistols may be used with open sights. No other sight accessory is permitted. All Pistols must be marked by the manufacturer with an “F” within a Pentagon mark.
• Recommended range commands per target: “Load”, “Start” after 4 minutes “Stop”, “When pistols are safe, forward and change the target”. (Athletes may shoot each 5 shots as quickly or slowly as they wish, within the 4 minutes recommended).
Juniors may shoot with one or two hands. Intermediates & Seniors must shoot single-handed.

Guidance on setting up a “Safe Airgun Range” provided in more information section.

For assistance and if you need somewhere to shoot, please contact your Regional Contact.

After Shooting

- Calculate the score of the target and write the target total in space provided.
- Take note when scoring: If the shot hole touches or crosses a line on the target, the shot is scored at the higher value. If the shot tears the target, the shot value is taken from where the pellet penetrated the target.
- Take a photograph of each fully completed target for entry purposes (Step 3).
- Athletes must retain their targets in case of queries

Step 3: Enter
