

Foot Falls

How to play the game:

On the table there are a selection gait labels and images with footfalls numbered out. Place the correct footfall card next to each gait label. There are extra gait labels.

Equipment:

Table and 2 chairs

Footfall images printed onto individual cards - preferably laminated

Gait labels taped to the top of the table.

Score sheet

Clipboard and pens for volunteers

Tips for organisers:

Make sure the teams know that they can talk to each other. They can move the cards around until the last whistle at which point the round will be scored.

One volunteer to check the answers against the legend and write up the scores while the second volunteer holds next team back from the table and explains the game to them. Allocate 3 points for each correct answer. Spread the footfall cards randomly around the table before the next team sees the table.

Second volunteer to check and initial scores before being collected by score collector.
