THE PONY CLUB
SHOW JUMPING OBJECTIVES

To provide an opportunity for all Branch and Centre Members interested in Show Jumping to compete against each other and to encourage a high standard of riding.

Every eventuality cannot be provided for in these Rules. In any unforeseen or exceptional circumstances or any other issue in connection with Pony Club Show Jumping it is the duty of the relevant appointed officials to make a decision in a sporting spirit and to approach as nearly as possible the intention of these Rules. It is the competitors’ responsibility to ensure that they are complying with the Rules of the competition.

When a rule states District Commissioner, Centre Proprietor also applies, and where Branch is stated, Centre applies.

Further information is available on the Show Jumping pages of The Pony Club website.

As a Member of The Pony Club, I stand for the best in sportsmanship as well as in horsemanship. I shall compete for the enjoyment of the game well played and take winning or losing in my stride, remembering that without good manners and good temper, sport loses its cause for being. I shall at all times treat my horse with due consideration.
THE PONY CLUB
SHOW JUMPING COMMITTEE

All Rules are made by the Pony Club Volunteer Committees including consultation with others.

The PONY CLUB
SHOW JUMPING RULES

GENERAL
Except where varied in this Rule Book, all Pony Club Show Jumping Competitions shall be judged under British Show Jumping Rules, copies of which may be obtained from British Show Jumping, Meriden Business Park, Copse Drive, Meriden, West Midlands, CV5 9RG (02476 698800). Where the same matter is covered by both British Show Jumping and Pony Club Rules, then The Pony Club rule shall take precedence. For the particular purposes of scoring and results, The Pony Club variations to British Show Jumping rules are listed under Rules 22 to 28.

1. AGE
Unless specified otherwise in the schedule all Members are eligible to compete in any Pony Club Team or Individual Show Jumping competitions. See rule 29 for Eligibility to compete at Area Competitions and The Championships.

2. HORSES
a) No horse under 5 years of age is eligible.
   b) There is no height limit.
   c) Stallions can only be ridden by Members if they have obtained written permission from their District Commissioner and in the interests of safety, must wear identifying discs on their bridle.

VACCINATIONS
EVENTS THAT ARE HELD AT SOME VENUES MAY BE SUBJECT TO ADDITIONAL RULES.
E.G. ANY HORSE / PONY ENTERING A LICENSED RACECOURSE PROPERTY MUST COMPLY WITH THE VACCINATION REQUIREMENTS AS SET BY THE BRITISH HORSERACING AUTHORITY.
SIMILAR RESTRICTIONS APPLY IN THE CASES OF POLO VENUES.

IN ADDITION, IF YOU ARE INTENDING TO COMPETE UNDER FEI, BRITISH EVENTING, BRITISH SHOW JUMPING OR BRITISH DRESSAGE RULES YOU WILL NEED TO ENSURE YOU ARE COMPLIANT WITH THEIR RULES.

To protect the health of other competing horses and the biosecurity of the venue, the following rules will apply to all Pony Club Competitions:

NOTE: Rules which differ from those of 2019 appear in bold type and side-lined (as this note).
1. **Passports**
   A valid passport and vaccination record:
   a) must accompany the horse / pony to all events
   b) must be available for inspection by the event officials
   c) must be produced on request at any other time during the event

2. **Hats:** It is mandatory for all Members to wear a protective helmet at all times when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall. This rule defines the quality of manufacture that is required. The individual sports also have additional requirements with regard to colour and type. It is strongly recommended that second hand hats are not purchased.

   The hat standards accepted as of 1st January 2020 are detailed in the table below:

3. **Dress**
   New equipment is not expected, but what is worn must be clean, neat, tidy and safe. It is the competitor’s responsibility to ensure their dress complies with the Rules. Contravention may incur disqualification. Apart from Cross Country colours and silks, brightly coloured accessories must not be worn.

   • For cross-country riding (over 80cm) including Eventing, Tetrathlon, Horse Trials, Pony Racing (whether it be tests, rallies, competition or training) and Mounted Games competitions, a jockey skull cap must be worn with no fixed peak, peak type extensions or noticeable protuberances above the eyes or to the front, and should have an even round or elliptical shape with a smooth or slightly abrasive surface, having no peak or peak type extensions. Noticeable protuberances above the eyes or to the front not greater than 5mm, smooth and rounded in nature are permitted. A removable hat cover with a light flexible peak may be used if required.

   • It is strongly recommended that a jockey skull cap is worn for cross-country riding over lower fences (less than 80cm) as there is research evidence that a fall onto the fixed peak can result in an over extension of the neck backwards with the potential for serious injury.
b) Hair: In the interests of safety, long hair must be secured appropriately in a hairnet.

c) Body Protectors
The Pony Club does not make the use of body protectors compulsory, except for all Cross Country riding and Pony Racing whether it be training or competing. If a Body Protector is worn for any Pony Club activity it must meet BETA 2009 Level 3 standard (purple label) or BETA 2018 Level 3 standard (blue and black label).

For general use, the responsibility for choosing body protectors and the decision as to their use must rest with Members and their parents. It is recommended that a rider’s body protector should not be more than 2% of their body weight. When worn, body protectors must fit correctly, be comfortable and must not restrict movement. BETA recommend body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline.

BETA 2009 Level3 (purple label) body protectors will continue to be accepted at Pony Club competitions until 1st December 2024.

Riders who choose to use the Woof Wear Body Cage EXO must lodge a key with the EventOrganiser when they collect their number.

Air Jackets
When an air jacket inflates the sudden noise startles horses in the immediate vicinity thereby causing difficulties for the other members of a ride if used in a group ride in a confined area, e.g. an indoor school or outdoor manège. Air jackets are therefore not encouraged for group rides.

If a rider chooses to wear an air jacket in Cross Country or Pony Racing, it must only be used in addition to a normal body protector which meets the BETA 2009 Level 3 standard (purple label) or BETA 2018 Level 3 standard (blue and black label). Parents and Members must be aware that riders may be permitted to continue after a fall in both competition and training rides for Cross Country.
and/or Pony Racing, provided the rider has been passed as fit to continue by First Aid Providers. In the event of a fall, it must be fully deflated or removed before continuing, after which, the conventional body protector will continue to give protection. Air jackets must not be worn under a jacket and number bibs should be fitted loosely or with elasticised fastenings over the air jacket.

d) **Jackets:** Traditional jackets must be worn with a Pony Club tie or hunting stock. It is permitted to wear a Pony Club stock with any jacket. Jackets must be worn for the duration of the course. Jackets may be removed during warming up, provided the competitor is wearing a shirt that at a minimum covers the shoulders. Competitor numbers should be worn at all times. **During hot weather the Judges may give permission for competitors to ride without jackets, but shirts must cover the shoulders.**

e) **Pony Club Badge:** The official metal membership badge should be worn on the left lapel of the rider’s jacket.

f) **Jodhpurs/Breeches:** Dark-coloured breeches may not be worn.

g) **Footwear:** Only standard riding or jodhpur boots with a well defined square cut heel may be worn. Plain black or brown half chaps may be worn with jodhpur boots of the same colour. Tassels and fringes are not allowed. No other footwear will be permitted, including wellington boots, yard boots, country boots, “muckers” or trainers. Boots with interlocking treads are not permitted, nor are the boots or treads individually. Stirrups should be of the correct size to suit the riders boots (see the Stirrup rule).

h) **Spurs:** May be worn at Rallies and other events. Any misuse of spurs will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman, any reported riders will be recorded and monitored. Sharp spurs are not permitted. Only blunt spurs, without rowels or sharp edges, and spurs that have a smooth rotating ball on the shank may be worn. If the spurs are curved, the curve must be downwards and the shank must point straight to the back and not exceed 4cm in length. The measurement is taken from the boot to the end of the shank.

i) **Whips:** No rider may carry, use or permit to be used a whip greater than 75cm. or less than 45cm in length overall. Riders may not hit their horse/ pony before the start of the course and may be eliminated for doing so at the Judge’s discretion.

j) **Jewellery:** Only medical jewellery is permitted. No other jewellery is allowed for safety reasons, other than a wrist watch, a wedding ring, a stock pin worn horizontally or a tie clip. Members who are contemplating piercing their ears or any other part of their body should be aware that they will not be allowed to compete until such time as the “sleepers” can safely be removed. The reason for this is that sleepers have in the past caused injuries following falls. This rule will be strictly enforced.

In the event of a person being unable to remove permanent jewellery, it must be adequately protected by being covered by a sticking plaster or other appropriate material prior to presenting at tack check. The wearing of such jewellery while competing is at the risk of the member / parent / guardian.

k) **Electronic devices:** (i.e. headphones etc. enabling another person to communicate with the rider) are not allowed whilst the rider is competing. No recording device is permitted (e.g. head / bridle cameras etc.).

l) **Riders’ Legs:** Neither the feet nor the stirrup leathers or irons may be attached to the girth, nor the feet attached to the stirrup irons.

m) **Footwear:** Only standard riding or jodhpur boots with a well defined square cut heel may be worn. Plain black or brown half chaps may be worn with jodhpur boots of the same colour. Tassels and fringes are not allowed. No other footwear will be permitted, including wellington boots, yard boots, country boots, “muckers” or trainers. Boots with interlocking treads are not permitted, nor are the boots or treads individually. Stirrups should be of the correct size to suit the riders boots (see the Stirrup rule).

h) **Spurs:** May be worn at Rallies and other events. Any misuse of spurs will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman, any reported riders will be recorded and monitored. Sharp spurs are not permitted. Only blunt spurs, without rowels or sharp edges, and spurs that have a smooth rotating ball on the shank may be worn. If the spurs are curved, the curve must be downwards and the shank must point straight to the back and not exceed 4cm in length. The measurement is taken from the boot to the end of the shank.

i) **Whips:** No rider may carry, use or permit to be used a whip greater than 75cm. or less than 45cm in length overall. Riders may not hit their horse/ pony before the start of the course and may be eliminated for doing so at the Judge’s discretion.

4. **SADDLERY AND EQUIPMENT**

Whilst not compulsory The Pony Club prefers competitors to use plain saddlery. Any extra detail will be marked down in a tack and turnout competition. New equipment is not expected, but what is worn must be clean, neat and tidy.

It is the competitors’ responsibility to ensure that their tack is in accordance with the rules and that they present themselves for inspection.

Any competitor who presents to compete in the wrong saddlery/equipment will not be allowed to compete until they decide to re-present in the correct saddlery/equipment.
Any competitor who then changes their tack after the Tack Inspection will be disqualified from the competition. The Official Steward has absolute discretion to forbid the use of any bit, gadget, spur or boot which he considers cruel or misused.

Any misuse of a bit/bridle will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman. Any reported riders will be recorded and monitored.

Any equipment not covered in these Rules must be referred at least two weeks in advance of the competition to The Pony Club Office to allow time for the Chairman of the Show Jumping Committee to be consulted. All tack must be correctly fitted. Disabled riders are welcome to apply to The Pony Club Office to use special equipment.

a) **Saddles:** Type optional.

b) **Numnahs / Saddle Cloths:** Any solid colour is permitted. Contrasting piping is permitted. Branch logos are allowed when competing for the Branch; logos must not exceed 200 sq. cm. This does not preclude the wearing of clothing for horses or riders that has been presented by sponsors of the Championships in the current or previous years.

c) **Stirrups:** Should be of the correct size to suit the rider’s boots. They must have 7mm (¼”) clearance on either side of the boot. To find this measurement, tack checkers should move the foot across to one side of the stirrup, with the widest part of the foot on the tread. From the side of the foot to the edge of the stirrup should be 14mm.

   Note: There are now many types of stirrups marketed as ‘safety stirrups’. All riders must ensure that their stirrups are suitable for their type of footwear, the activities in which they take part and that the stirrup leathers are also in good condition.

There are no prescribed weight limits on metal stirrups, however with the advent of stirrups of other materials, weight limits are seen to be given by manufacturers. Any person buying these stirrups, should, take particular notice if weight limits are on the box or attached information leaflets.

Neither the feet or the stirrup leathers or irons, may be attached to the girth, nor the feet attached to the stirrup irons.

d) **Bridles:** For safety reasons leather bridles are recommended. The Micklem Multibriddle and bitless bridles are permitted.

e) **Reins:** Market Harboroughs and running, draw or check reins of any kind are forbidden. (A running, draw or check rein is one which is attached to the saddle, girth, martingale or breast plate on the horse).

**Grass and Balanced Support Reins:**
Grass reins and balanced support reins are permitted at Pony Club rallies and competitions jumping up to 50cm or Walk and Trot Tests.

- Only those grass reins shown in diagrams 1, 2 and 5 are permitted.
- Grass reins must be fitted to allow and not restrict the normal head position of the pony. The rein length must be sufficient to allow the pony to stretch over a small fence.
- Grass reins may be leather or synthetic material, if synthetic then a break point of leather or other suitable material must be included.

f) **Martingales:** The only martingales permitted are Irish, Standing, Running or Bib only one of which may be worn at the same time. Standing Martingales may be attached only to the cavesson portion of the noseband fitted above the bit.
g) **Nosebands:** Only one may be worn unless using a Standing Martingale with a combination, kineton, drop noseband or similar in which case the addition of a cavesson is allowed. Nosebands must be correctly fitted and should not cause discomfort. Nosebands must not incorporate chain or rope except that Myler combination bits and other similar bit designs that incorporate a rope nosepiece are permitted. Sheepskin nosebands are permitted.

h) **Fly hoods, nose nets and ear covers** are permitted for all competitions, and may also provide noise reduction. The ear cover/fly fringe must not cover the horse's eyes.

Ear plugs are not permitted and spot checks may be carried out.

Nose nets are permitted. Nose nets must cover the nose only, leaving the mouth and bit visible.

i) **Blinkers:** Are prohibited except leather and sheepskin attachments on the cheek pieces of the bridle are allowed providing the material does not exceed 3cm in diameter measured from the horses face.

j) **Bits:** Pelhams must be used with two reins or roundings. Weymouth bits must only be used as part of a double bridle.

k) **Bit guards:** Only entirely rubber and smooth on both sides are permitted.

l) **The following are NOT allowed/permitted:**

   - Ernest Dillon reins, Split reins and Bridge reins.
   - Tongue Straps and Tongue Grids.
   - Weighted Boots.
   - Humane Girths (having non-independent straps that will loosen if one of the straps were to break)
   - Hoof Boots

Any unusual decoration of the horse with unnatural things, such as ribbons, flowers, glitter etc. in the mane/tail or applied to the coat is forbidden. Red bows in the tail are permitted for horses that kick.

Saddlery and equipment used during the Tack and Turnout Competition must be the same as that worn throughout the competition, except by permission of the Official Steward/Organiser.

m) **Protective boots for horses:**
   i. The total maximum weight of equipment allowed to be added to a horse’s leg; front or hind (single or multiple boots, fetlock rings, etc) is 500g.
   ii. The inside of the boot must be smooth, that is, the surface must be even and there may not be any pressure points on the inside of the boot; for the avoidance of doubt, stitching on the inside of the protective element that attaches the inner lining to the boot, is permitted.
   iii. Sheepskin linings are allowed.

n) On the hind leg the following are permitted provided they comply with rule (m) above:
   i. Brushing type boots that cover the fetlock and cannon bone which are made from Neoprene, leather or other similar soft material, provided that the boot contains no rigid inserts.
   ii. Ankle or fetlock type boots that have a maximum interior length of 16cm and a minimum exterior width of 5cm. Hind boots that have an extra flap for protection should be allowed providing the flap is soft and clearly intended for protection only.
   iii. Boots that have a protective element on the inside and outside, that is, double-shell boots that wrap around the back of the fetlock, are permitted providing they meet the following criteria:
      - The boot must have a maximum length of 20cm.
      - The rounded protective part of the boot must be placed around the fetlock.
      - The inside of the boot must be smooth, that is, the surface must be even and there may not be any pressure points on the inside of the boot; for the avoidance of doubt, stitching on the inside of the protective element that attaches the inner lining to the boot, is permitted.
      - Sheepskin linings are allowed.
      - The boot must have two elastic fasteners with a minimum width of 2.5cm each.
      - Only the following types of fasteners are permitted:
         - Stud-type fasteners: straps with holes at the end that fit over a stud; Hook-and-eye type fasteners: straps with a hook at the end that fits into an “eyelet”.

The Official Steward has absolute discretion to forbid the use of any bit, gadget or spur which he considers cruel. Competitors using Saddlery and Gadgets that are not allowed in the competition will be eliminated.
The Pony Club wants to ensure members / riders attending Pony Club activities enjoy themselves and get the most out of riding. At the same time, they must also balance that enjoyment with members’ / riders’ safety. This may mean on occasion that members / riders are asked not to ride by officials who believe they may have sustained a concussion either at the time of injury or from a previous injury (which may not have been sustained whilst riding). Parents / guardians, members, officials and other riders must respect this decision. It is a decision sometimes made without having objective evidence, but it is made in good faith and in the pursuance of avoiding further harm.

b) Incidents that could cause head injuries or concussion

Any member / rider who, at a Pony Club activity, suffers an incident that could cause head injury or concussion (for example, a fall from their horse / pony) should be assessed. The person who does this assessment will depend on the first aid cover that is in place for that activity. Depending on the level of first aid cover then the exact process of diagnosing whether the member has suffered:

• No head injury / concussion
• Suspected head injury / concussion
• Confirmed head injury / concussion.

Each option is talked through in more detail below.

From the assessment being carried out it may be immediately obvious that there is no cause for concern. In the course of Pony Club activities, The Pony Club is well aware that there are different kinds of falls and that assuming every fall leads to a head injury would be counterproductive to the aims of the organisation. We ask that reasonable care is taken to ensure members / riders have not sustained a serious head injury or concussion.

c) Unconsciousness

If a member / rider is unconscious following an incident they should be treated as if they are suffering with a confirmed concussion and the steps in points vii) below should be followed.

d) Who can diagnose head injury or concussion?

Diagnosis of a head injury or concussion (both confirmed and suspected) can be carried out by any level of first aid cover officiating at a Pony Club activity. These could be a trained or
sees a doctor who is sure that they do not have a concussion and did not suffer a concussion and will provide evidence that they are satisfied that the member/rider is well, that member/rider will be treated as if they did not sustain a concussion.

**f) Actions to be taken in the event of a confirmed head injury or confirmed concussion**

In the event of a diagnosis of a confirmed head injury or confirmed concussion, the doctor will advise the member not to ride or take part in any activity that potentially involves hard contact for three weeks. They will advise the member that they could, after 10 days, ask a doctor, who is experienced in assessing concussion (including in children where appropriate), whether they have any concerns about any ongoing concussion problems. If that doctor is happy to certify that the member is not suffering with a concussion, the member may ride again, providing evidence regarding that decision is provided. If no evidence that such an assessment has been made, the member must not take part in any Pony Club riding activity and/or any unmounted activity that may involve any hard contact for at least three weeks after the initial injury.

**g) Actions to be taken in the event of a diagnosis of a confirmed or suspected head injuries/concussions outside of Pony Club activities**

The Pony Club has no official way of automatically knowing about members who sustain a confirmed or suspected head injury/concussion outside of Pony Club activities. A concussion may be sustained outside Pony Club activities, for example at riding activities organised by other BEF member bodies or at school football/rugby/hockey matches. It is for parents/guardians ultimately to make a decision about the welfare of their child.

However, if a Pony Club official in charge of any Pony Club activity becomes aware that a member has sustained a suspected or confirmed head injury/concussion and has been advised not to take part in any potentially hard contact activities for three weeks, they should not allow the member to take part in any mounted activities and/or any unmounted activities that could potentially involve hard contact for three weeks, unless the member or their parents/guardians can produce appropriate medical evidence of fitness to ride dated at least 10 days after the initial injury.

(See PAGE 52 for Head Injury and Concussion Flowchart)
8. SUSPENSION FROM COMPETING FOR MEDICAL REASONS
If a rider is banned/suspended from competing in any sport for medical reasons, they should not compete at any Pony Club event until passed fit for the sport in which they are banned/suspended. It is the responsibility of the rider or parent/guardian to ensure that this rule is adhered to.

9. UNSEEMLY BEHAVIOUR
Unseemly behaviour on the part of riders, team officials, or team supporters will be reported as soon as possible by the Official to The Pony Club Office. Offenders may be penalised by disqualification of the Branch or Branches concerned for a period up to three years.

Any competitor who in the opinion of the Official Steward, or Organiser, has been extremely rude or aggressive towards any officials at a competition, or who has behaved in an aggressive or unfair manner to their horse may be disqualified.

10. PERFORMANCE-ENHANCING DRUGS
   a) Equine: Controlled Medication: It is clearly essential for the welfare of the horse that it is given appropriate veterinary treatment if and when required and that this should include appropriate medication. Medication however may mask an underlying health problem and horses should not compete when taking medication where such medication may have a detrimental effect on the horse’s welfare.

   b) Human: Performance-enhancing drugs are forbidden.

All competitors should be aware that random samples may be taken for testing from both themselves and/or their horse. The protocol used will be that of the relevant sport. See Pony Club drugs policy in Health and Safety Rule Book 2019.

11. DISQUALIFICATION
The Official Steward or Chief Judge may disqualify a competitor at any stage of the competition for:
   • Dangerous riding.
   • If, in their option, the horse is lame, sick or exhausted.
   • Misuse of whip, spur or bit, or ill-treatment of the horse.
   • Breach of the rules.
   • Unseemly behaviour, including bad language.

12. SPONSORSHIP
In the case of competitors and horses, no form of advertising, and this includes a sponsor’s name, may appear on the competitor’s or horse’s clothing and equipment at any Pony Club competition. This does not preclude the wearing of clothing for horses or riders that has been presented by sponsors of the Championships in the current or previous years. Sponsors at Area Competitions must not be business competitors of the main sponsors of the discipline, and must be approved by The Pony Club Office. Any advertising material that is used by sponsors, whether it be in the form of display banners or programme material, must be tasteful, and not inappropriate to the image of The Pony Club.

13. INSURANCE
The Pony Club Third Party Legal Liability Insurance Policy is extended to give cover for all the official Area Competitions and the Championships. Details of this insurance are given in the "Administrative Notes" in the current issue of The Pony Club Handbook. In the event of any accident, loss or damage occurring to a Third Party or to the property of a Third Party (including the general public and competitors) no liability should be admitted and full details should be sent at once to The Pony Club Office.

14. HEALTH AND SAFETY
Organisers of this event have taken reasonable precautions to ensure the Health and Safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers and all the officials and stewards.

15. LEGAL LIABILITY
Save for the death or personal injury caused by the negligence of the organisers, or anyone for whom they are in law responsible, neither the organisers of this event nor The Pony Club nor any agent, employee or representative of these bodies, nor the landlord or his tenant, accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, cars, their contents and accessories, or any other person or property whatsoever, whether caused by their negligence breach of contract or in any other way whatsoever. Entries are only accepted on this basis.

16. SUPPLIES FOR ORGANISERS AVAILABLE FROM HARRY HALL
We suggest that you order your supplies at least 21 days in advance.
   a) Rules of The Pony Club Show Jumping.
   b) White/NCR Score Pads (200 competitors per pad).
   c) A3 Team score book pads (180 teams per pad).
   d) Eventing SJ Phase score pads (200 competitors per book).
There should be no three stride distances anywhere in the course. There must be no less than five strides on the approach or following any combination, (either double or treble).

Except where the rules for the competition stipulate and there is a significant mix of sizes of ponies/horses, one or two double combinations instead of a double and a treble may be better suited to the competition.

When the second or third element of a double or treble combination is a spread, the distances must be as for two non-jumping strides.

d) **Safety Cups**: Safety Cups are now compulsory for all Pony Club Jumping Competitions. To be used on the back rails of spread fences and middle and back rails of triple bars. This will also include practice fences in the collecting ring. These cups must be in use at all times and must NOT be removed from the wing stands.

19. **PLAN / INSPECTION / ACCESS**

a) **Plan**: A plan of the Course shall be displayed by the time the Course is ready for inspection showing:

   i) The Course to be jumped and its length.

   ii) The Time Allowed and the Time Limit.

b) **Inspection**: The Course shall be ready for inspection by Competitors a reasonable time before the start of the Competition.

c) **Access to the Ring**: Prior to the start of the Competition, no competitor may enter or practise in the ring mounted.

20. **PRACTICE FENCES**

a) Competitors must use only the practice fences provided in the exercise area.

b) The practice fences must be marked appropriately and must be jumped with red on the right and white on the left.

c) Practice fences may not be more than 10cm above the height, or exceed the spread, of the current round.

d) Practice fences shall be monitored, and shall not be used when the Steward is absent. See particularly British Show Jumping Rule regarding Practice Fences.
21. **EXERCISE**

a) Competitors must exercise their horse/pony in the area provided. Horses may not be exercised in the Car Park or Horsebox area or among spectators.

b) On the day of the Competition, horse/pony may only be ridden by the rider who is riding the horse/pony in the competition.

c) Lungeing of a horse is only permitted in areas designated by the organiser who may also prohibit it completely at their discretion. If allowed, lungeing may be carried out by either the rider or other persons. Lungeing of a horse and rider is prohibited.

d) Whilst exercising, warming up or competing, it is ONLY permissible to use the saddlery allowed under the rules.

e) Safety Cups must be used on the back rails of spread fences. These cups must be in use at all times and must NOT be removed from the wing stands.

22. **FAULTS FOR PONY CLUB SHOW JUMPING COMPETITIONS**

- Knockdown: 4 faults
- Foot on lath, tape and/or strip or in water: 4 faults
- First disobedience: 4 faults
- Second disobedience: 8 faults
- Third disobedience: Elimination
- Error of Course: Elimination
- Fall of Rider: Elimination
- Fall of horse: Elimination

23. **TIME FAULTS**

One Time fault is incurred for each commenced second in excess of the time allowed. Failure to complete the Course within the Time Limit incurs Elimination. (NB Time Limit = twice time allowed).

24. **TIMING**

If possible, electronic timing should be used. If this is not available, two timekeepers with stop watches must be used. If the timing equipment permits, the 45-second countdown may be used according to British Show Jumping Rules. It should however be explained over the public address before starting and at intervals during the first round.

25. **TIME PENALTIES**

a) Time penalties are incurred when an obstacle is displaced as a result of a disobedience.

b) A displacement of any single obstacle or any subsequent part of any open or closed combination will incur the addition of 6 seconds.

c) Starting the clock following such displacement will be taken from take off or attempted take off.

d) Time penalties are added to the time taken to complete the round before the calculation of time faults.
26. FALLS

a) At all Pony Club competitions and Championships, the first fall of a horse and/or rider will result in Elimination.

b) A horse is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch the obstacle and the ground simultaneously.

c) A rider is considered to have fallen when there is separation between him and his horse which necessitates remounting or vaulting into the saddle.

d) A fall of horse and/or rider anywhere on the course, (including a fall after the starting bell but prior to going through the start and a fall during interrupted time), will always incur elimination in any competition.

e) After an elimination which has resulted from a fall of horse or rider, the rider must leave the arena dismounted. For training purposes (except at Grassroots Regionals, Area Competitions and Championships) subject to being checked by the onsite first aid provider, competitors may return to the arena at a suitable time before the class is finished in order to jump another round “hors concours”.

27. DISTURBING THE OBSTACLE AS A RESULT OF A DISOBEDIENCE

a) A disobedience which disturbs the obstacle, including the displacement of a lower element, such that the obstacle must be re-erected and/or checked incurs a 6 second time penalty in addition to the faults and/or elimination incurred.

b) The bell is rung, and the clock is stopped immediately.

c) Penalties at Combinations – If there is a disobedience at obstacle B or subsequent obstacles of a combination without disturbance of that obstacle and any of the previous obstacles have been disturbed and require re-erection or checking, the procedures for ringing the bell and stopping the clock in (b) must be applied.

d) The clock is restarted at the moment when the horse takes off or attempts to take off at the obstacle where the refusal occurred.

If a disobedience occurs at the second or subsequent part of a combination the clock is restarted when the horse takes off or attempts to take off at the first element of the combination.

e) Penalties for knockdowns are only incurred in respect of obstacles which are knocked down as a direct result of having been jumped in the correct order and provided the obstacle has started to fall before the competitor crossed the finishing line. Any other knockdown is not penalised.

EXAMPLE: A rider/horse knocks into and displaces a fence not being jumped, which has either already been jumped, is still to be jumped or is not part of the course. If the fence is still to be jumped or is impeding the safe jumping of another fence the Judge will ring the bell to stop the rider, and the clock, at an appropriate place to allow the fence to be rebuilt without penalty. After the restart bell the clock will restart when the rider/horse passes the place where they were stopped.

Before leaving the arena after being eliminated as a result of a third refusal or run out, the competitor may take up to two attempts to jump any single obstacle in the arena in the direction as indicated on the course plan. After a fall or horse fall a rider must leave the arena dismounted.

28. ADJUSTMENT OF SADDLERY, DRESS AND OUTSIDE ASSISTANCE

Jumping or attempting to jump any obstacle or passing through the finish without a hat, or with the chin strap incorrectly fastened incurs elimination unless the Judge decides that the competitor was so far committed to jumping the obstacle at the moment when the chin strap came undone that he could not be expected to pull up before attempting the obstacle.

In the case of adjustment to hat, chin strap, or saddlery becoming necessary during the round, for safety reasons outside assistance may be given. The clock will NOT be stopped and faults will be given as for a resistance (ceasing to go forward). If it becomes necessary for the rider to dismount, the rider will be eliminated.

The competition comprises a Team competition and an Individual competition. The Individual competition is open to all competitors in the Team Competition, whose scores are automatically counted for this competition, and to additional individual competitors.

When a rule states District Commissioner, Centre Proprietor also applies, and where Branch is stated, Centre applies.

Vaccinations are required for ALL Areas and Championships; please see Rule 2 for further information.

29. ELIGIBILITY FOR AREA QUALIFYING COMPETITIONS AND THE CHAMPIONSHIPS

The District Commissioner or Centre Proprietor is required to certify the eligibility of horse and rider as follows. Should a breach of eligibility subsequently be discovered, then the Show Jumping Committee may disqualify the offending competitor.

Combined Teams at the Area Competition must be declared before the start of the competition or they will not count towards the number to qualify.

b) COMBINED TEAMS FOR PC110 (OPEN) LEVEL ONLY

### 35. COURSE DESIGNERS / TIMING / JUDGES / RING

The course must be designed and built by a BS Panel Course Designer who must be present on the day of competition. For the Grassroots Regional Championships qualifier the designer must be BS level one or above, for PC90, PC100, and PC110 qualifiers he/she must be Level two or above. Any deviation from this must be approved by the Chairman of Show Jumping. It is preferable to have a dedicated Course designer for each ring but if the Designer agrees to officiate in more than one ring it is essential that another suitably experienced person is in charge of maintaining and repairing the course in each ring at all times.

Make sure the Course Designer is sent a copy of these Rules.

**IT IS IMPORTANT THAT ONLY JUMPS OF BS STANDARD ARE USED – and don’t forget to order your water tray.**

### a) TIMING

If possible, electronic timing should be used. If this is not available, two timekeepers with stop watches must be used, and there should be someone at the start and finish to signal when each competitor crosses the line. If the timing equipment permits, the 45-second count-down may be used according to British Show Jumping Rules. It should however be explained over the public address before starting and at intervals during the first round.

### b) JUDGES

**Grassroots Regional Championships Qualifiers**

The Organiser will appoint judges as follows:

- One BS Judge (Level 2 or above) per ring
- At least one but preferably two suitably experienced assistants to support the judge by writing or commentating or one BS Level 1 Judge and one BS Trainee Judge or above and an assistant. Any deviations from this must be approved by the Show Jumping Chairman.

- At PC110, PC100, PC90 (Area and Championships) and the Grassroots Regional Championship (Finals) the Organiser shall appoint a minimum of Two British Show Jumping Judges per ring, of whom one may be a BS level one Judge but at least one must be Level 2 or above. It is strongly recommended that a suitably experienced writer or commentator is also appointed.

In cases where sufficient BS Level Two Judges are not available, deviations from this minimum level will be considered but must be approved by the Show Jumping Chairman.

If a water jump is used with 1 or no poles, an additional British Show Jumping Judge will be needed to stand by the jump. All Judges shall be sent copies of these Rules.

**c) The Ring:** It is recommended that the minimum size of an outdoor Arena is 74m x 55m (80yds x 60yds)

A full set of British Show Jumping Fences will probably have enough material to build a course according to the requirements of these rules. When the fences have arrived at the venue check that there is sufficient and adequate equipment.

Extra ‘Dressing’ (greenery, trees, flowers, etc.) should be provided so that the course-builder can build an attractive and inviting course.

**d) The Course:** The length of the course should not exceed 450m.
36. ORDER OF JUMPING
After entries have been received, the order of jumping shall be drawn, but, at the Organiser's discretion, due regard may be given to the convenience of Branches travelling great distances. This order shall be maintained throughout the Competition, except in the case of a Jump-off, when the order shall be redrawn. Competitors who are not ready to jump in their turn may be eliminated.

a) **Area and Championship Team Competitions**
   i. First Round – the whole team to jump in succession.
   
   ii. Second Round – the whole team will jump in succession, teams with the highest total faults (best three) will jump first. Teams on total zero score will jump last. This is optional for Area Competitions and the Novice Championships. Should weather or ground conditions demand this may be changed on the day.

b) **Turnout Competitors** should be judged in the same order as they compete in the first round.

37. COURSE DIMENSIONS
a) **General PC110, PC100 and PC90**
   It is important that only Jumps of British Show Jumping Standard/ equivalent are used. Safety Cups are compulsory (see Rule 20).
   
   i. **Speed** – 325 metres per minute.
   
   ii. **Length of Course** – should not exceed 450m.

   iii. **The First Round should be fairly easy to enable most teams to get round and to reduce eliminations to a minimum. The track should be altered for the second round which should be more difficult so as to ensure a result and avoid having too many teams in the ‘jump-off’. It should include a fair proportion of fences of maximum height and spread.**

   When the second or third element of a double or treble combination is a spread, the distances must be as for two non-jumping strides.

b) **PC110**
   **Area:** First Round – 1.10m Second Round – 1.15m
   There will be two double combinations in the first round and a double and a treble combination in the 2nd round
   A Water Tray will be included in the second round A water jump may be included
   No parallel or ascending oxer may be more than 10cm wider than it is high. (Triple Bar – width should not exceed the height + 1/3)

   **Championships:** First Round – 1.15m Second Round – some fences will be 1.20m
   There will be one double and one treble combination at 1.10m A Water Tray will be included in the second round
   A water jump may be included
   No parallel or ascending oxer may be more than 10cm wider than it is high. (Triple Bar – width should not exceed the height + 1/3)

c) **PC100**
   **Area:** First Round – 1.00m Second Round – 1.05m
   There will be two double combinations (no treble combination).
   The second part of all combinations must be uprights.
   A Water Tray will be included in the second round.
   No parallel or ascending oxer may be wider than 5cm wider than it is high. (Triple Bar – width should not exceed the height + 1/3)

   **Championships:** First Round – 1.05m Second Round – some fences will be 1.10m
   There will be two double combinations (no treble combination).
   The second part of all combinations must be uprights.
   A Water Tray will be included in the second round.
   No parallel or ascending oxer may be wider than 5cm wider than it is high. (Triple Bar – width should not exceed the height + 1/3)

b) **PC90 and Open PC90**
   **Area:** First Round – 0.90m Second Round – 0.95m
   There will be two double combinations (no treble combination).
   The second part of all double combinations must be uprights.
   A Water Tray may be included in the second round.
   No parallel or ascending oxer may be wider than it is high. (Triple Bar – width should not exceed the height + 1/3)

   **Championships:** First Round - 0.95m Second Round – 1.00m
   There will be two double combinations (no treble combination).
   The second part of all double combinations must be uprights.
   A Water Tray will be included in the second round.
   No parallel or ascending oxer may be wider than it is high.
The Total of the best three scores to count in each round. That total is carried forward to the second round. The highest score is discarded in each round and may or may not be the scores of the same competitor.

b) If a Team is eliminated in the first round any member not eliminated will be allowed to jump in the second round. If a team member is eliminated in the first round he/she may jump again in the second round, provided the Team has not been eliminated, and is eligible to count.

PC110, PC100 and PC90

c) In the event of equality for first place at the Championships or qualifying places at Area Competitions, there shall be one jump-off against the clock and there will be a draw for the order of jumping. All Members of the team must jump-off. The first member of each team in the jump-off will jump first followed by the second and so on. The whole team jumps irrespective of previous faults or eliminations and the best three in each team count. If their jumping faults are equal, their aggregate times decide. Grassroots Regional Championships Area Competitions may also be run in this way OR:

For Grassroots Regional Championships only: at Area level and at the discretion of the organisers the second round may be run as a single phase. Each competitor’s score for the second round will be the total of their faults from both phases of the second round. In the event of equality for first place or qualifying places the time taken in the second phase of the second round will be used to decide the results and there will not be a jump off. If this method is used then any ties for minor placings will also be decided by the time taken in the second phase of the second round.

d) The aggregate times will be taken of the best three of all teams in the second round, so that any minor placings remaining after the jump-off are filled without the need of a further jump-off.

e) If a team has four members, all four must jump in both rounds to qualify the whole team for the jump-off – i.e. any member of that team not jumping in both rounds may not jump in the jump-off.

f) If a competitor is in a qualifying position for both their team and an individual place they will only jump off once.

38. METHOD OF JUDGING – TEAM COMPETITION

Only in exceptional circumstances and with the express permission of the Chairman of Show Jumping will a change of format/competition be considered at Area Competitions.

PC110, PC100, PC90 and Grassroots Regional Championships

a) This is a two-round competition.
Eliminations and Retirements will not jump in the second round. Unless otherwise stated above Rules and Conditions will be the same as for the Team Competition.

40. NUMBERS TO QUALIFY

a) TEAMS

PC110 – The top two teams shall qualify.

10 teams compete on the day = 4 teams qualify.

PC100 – The Winning team shall qualify.

12 or more teams competing on the day = 3 teams qualify.

PC90 – The Winning team shall qualify.

25 or more teams compete on the day = 4 teams qualify.

GRASSROOTS REGIONAL CHAMPIONSHIPS – THE TOP 6 TEAMS WILL QUALIFY

b) INDIVIDUALS

PC110 – The first 4 placed individual competitors will qualify.

PC100 – The first 4 placed individual competitors will qualify.

PC90 – The first four eligible individuals (see rule 29) NOT in one of the qualifying teams for the PC90 Championships.

Open PC90 – The first four individuals who are not eligible for the Novice Championships (see rule 29) will qualify for the Open Novice Individual Championships. Qualifiers must not have more than 8 jumping penalties over two rounds to be eligible.

Grassroots Regional Championships – the first 16 individuals not in one of the qualifying teams.

The Show Jumping Committee may from time to time at their absolute discretion invite additional entries to the Championships at all levels.

39. METHOD OF JUDGING – INDIVIDUAL COMPETITION

PC110, PC100, PC90 and Grassroots Regional Championships

Only in exceptional circumstances and with the express permission of the Chairman of Show Jumping will a change of format/competition be considered at Area Competitions.

a) At the Area qualifiers for every level and at the Grassroots Regional Championships, the scores for all competitors in the Team Competitions automatically count for this competition. In addition Branches may enter individuals irrespective of whether they have entered a team or not. The individual competitors who are NOT in a team will jump their round after the Team Members have jumped. Faults from the first round will be carried forward to the second round. If there is no clear winner those competitors placed equal-first after the two rounds will qualify for the jump-off which will be against the clock.

b) In the event of there also being equality after the second round for a team qualifying place, the teams will jump-off first followed by any other team member and/or individual who according to faults over the two rounds is placed first equal in the individual competition.

All qualifying places will be decided by total faults in the two rounds or if necessary by time and faults in the jump off. In the event of a tie for non-qualifying places time in the second round will decide.

Note: If a competitor is in a qualifying position for both their team and an individual place they will only jump off once.

c) The Championships

i. PC100 and PC110 – There are two separate competitions at the Championships. This means a competitor can qualify for both the Individual and Team Championships.

ii. Competitors in the second round will jump in reverse order (i.e. the rider with the most faults will jump first; the clear rounds will jump last).
41. 

**AWARDS – AREA COMPETITIONS**

a) Rosettes are awarded to the Members of at least the first six teams and the first six individuals.

b) Rosettes shall be awarded for Double Clears and Turnout at the Organiser’s discretion.

42. 

**JURY OF APPEAL**

**Area Competitions:** The Jury shall consist of the Official Steward, one of the Judges and the Organiser.

**The Championships:** The Jury shall consist of the Official Steward, one of the Judges and such Members of the Show Jumping Committee as are present.

At least three members of the Jury of Appeal must remain on the ground until half an hour after the scores have been published. The Official Steward may appoint a replacement for any member of the Jury if the need arises.

43. 

**PROTESTS OR OBJECTIONS**

Apart from the Official Steward, the Area Representative and Officials of the Competition, only District Commissioners or their appointed representatives are entitled to lodge protests or objections. Protests must be made in writing and addressed to the Organiser of the Area Competition or Secretary of the Championships. They must be accompanied by a deposit, £50 at Area level and the Championships, which is forfeit unless the Jury of Appeal decides that there were good and reasonable grounds for the objection.

Protests or objections must be made not later than half an hour after the happening which gives rise to them or half an hour after the scores have been published. The Official Steward shall give his/ her decision in the first instance.

If this is not accepted, the Jury of Appeal shall give their decision after investigation and this decision is final.

Should a breach of eligibility subsequently be discovered, then the Sport Committee may disqualify the offending team or individual.

If said individual was a Member of a qualifying team and their score contributed to the qualification the team will be disqualified unless the qualification holds up using the discard score.

44. 

**BRANCH REPRESENTATIVES**

If the District Commissioner of a competing Team is unable to be present at the competition he or she must inform the Organiser of the Area Competition or Secretary of the Championships, in writing, of the name of the person appointed to be his or her representative. The Representative must carry with him a copy of the District Commissioner letter of appointment.

45. 

**OFFICIAL STEWARD**

The Pony Club Show Jumping Committee shall appoint an Official Steward for each Area Competition who will contact the Organiser prior to the event to offer help/advice. He/she shall be responsible for inspecting and approving the course in conjunction with the BS Judge before it is shown to the riders. He/she is authorised to insist on alterations being made if, in his opinion, the course is not in all respects within the limits laid down in the Rules or is unsuitable for the Competition. He/she has absolute discretion to forbid the use of any bit or gadget which he considers cruel and shall adjudicate on any unforeseen eventualities.

He/she shall be present on the day of the Competition, to ensure that it is conducted in accordance with the Rules and to give what help and guidance may be required. He/she should satisfy himself that the Medical and Veterinary arrangements are in accordance with the rules.

At least three members of the Jury of Appeal must remain on the ground until half an hour after the scores have been published. The Official Steward may appoint a replacement for any member of the Jury if the need arises.

49. EXPLANATION OF HORSEMANSHIP AWARD JUDGING
(PC 110 and PC100)
The Horsemanship Competition is an attempt to reward riders who show ability, talent and effectiveness. They will not necessarily have the best horses/ponies. Each rider is judged during the PC110 and PC100 Team and Individual Show Jumping Championships. The winners will be those who give their horses/ponies the greatest chance to jump a clear round by:

a) Maintaining rhythm and balance.

b) Intervening only when necessary to keep the horse/pony’s attention and to help them to arrive on a good stride for the fence with sufficient impulsion to jump it easily.

c) Giving their mounts the confidence to jump in a settled, supple way by sitting in an independent position (not dependent on the reins) and with an effective leg position at all times on the flat and while jumping.

d) Riding good lines and corners – showing correct use of the arena space.

The round should appear purposeful and harmonious.

Judging begins the moment the rider enters the ring (preparation for the round), continues throughout the round and finishes when the rider leaves the ring – the Judges noting whether or not the horse/pony was improved or not as a result of the round.

Riders are judged individually. For team awards, the total marks of all four riders are counted. For teams of three the average mark of the three is taken and added on as the fourth score.
