## The Pony Club logo on the left features the text "PONY CLUB" in large, bold, blue capital letters. To its right is a circular emblem with a white background and a blue border. Inside the circle, a rider on a horse is depicted in blue, and the text "THE PONY CLUB" is written in a circle around the top, with "EST 1929" at the bottom. To the right of the emblem is the Arena Leagues logo, which consists of two stylized polo players on horseback. The player in the foreground is black, and the player behind is red. ## Road Closer!

Unfortunately, the road directly outside Dallas Burston Polo ground is shut for 9 months for the 'essential' HS2 works. **You will need to gain access** from the Foss way (B4455) then onto the A425 heading through Ufton. This should only affect people who would usual travel from the east and through Southam. The diversion is a long one, please allow an extra 20mins to follow this diversion (especially if you are over 7.5Ton). This should not affect anyone coming from the M40. See map below for all details. There are some short alternatives if you are 7.5tons or under however they are for 'local traffic only'!

### New Guidance!

1. If possible, **please use your own playing shirts** (if you can provide a set of shirts to play in for the day this help avoid any swapping of numbered bibs!)
2. **Umpiring bring your own whistle!** (Match balls will be cleaned between each game as we do not want to use yours and risk losing it in the nearby pond!)
3. **Use hand sanitiser** stations regularly, we have very few touch points to worry about but please use these if you must touch any equipment or gates ect
4. Please check out the **UKPA guidance** on playing rules and rules to follow round the site as well.
5. **Social Distance**, Apart from playing please keep at least 2m apart, groups for 6 or two households maximum per a group.

### Prize Giving!

Unfortunately, due to COVID-19, prize giving is an unnecessary gathering so this time we are doing something different. There will be **NO PRIZE GIVING**. Instead, everyone will receive a goodie bag, we will hand this to a member of your club or branch to hand to you throughout the day!

## Housekeeping

Please take care to ensure that there is absolutely **no** litter, haylage or muck left behind, hay nets must **not** be given off your transport. Failure to comply may risk the venue for further use.

For those camping, please ensure all muck is placed in the signed muck heap!

Hot drinks/nibbles will be available to purchase from a cafe this is located by the loos in the lorry park!

There is a farrier on call who will attend if necessary, however this may take time to arrive due to travel ect. Game times maybe subject to being rearranged to accommodate this.
