Notes for the organiser and course builder

- ▶ The course should be built in a 20 x 40m arena either on grass or a surface
- ▶ Fence 1 should be built as an ascending oxer
- ▶ Fences 3 / 8, 5A and 7 should be built as parallels
- ▶ Fences 2 / 6 and 3 / 8 need to be built to be safely jumped from both directions
- ▶ Juniors – Fence 5 will be Fence 5A only. The Juniors do not ride a double
- ▶ Seniors – The double, Fences 5A and 5B, should be built at a two stride distance
- ▶ The person filming the round should preferably stand at or around **E** and if not at **B**
