APPENDIX A – Body Protector Rule 48
APPENDIX B – Head Injury and Concussion Flowchart 49

As a Member of The Pony Club, I stand for the best in sportsmanship as well as in horsemanship. I shall compete for the enjoyment of the game well played and take winning or losing in my stride, remembering that without good manners and good temper, sport loses its cause for being. I shall at all times treat my horse with due consideration.

NOTE: Rules which differ from those of 2019 appear in bold type and side-lined (as this note).
AIMS AND OBJECTIVES

To provide Members of The Pony Club with an introduction to the game of polo.

Pony Club Polo has four objectives:

i. Help young players to understand the basic principles of polo; rules, riding, tactics, striking the ball and the care and welfare of ponies

ii. Set high standards of conduct with a competitive spirit in a team

iii. Provide a bridge to the adult game

iv. Have fun

All Branch, Centre and Team Managers, players, parents and guardians in Pony Club Polo must read, understand and comply with the rules.

DISCLAIMER

The Pony Club, the HPA and tournament and event organisers or any person acting on their behalf, do not accept liability for loss, damage, accident, injury or illness to competitors, spectators or any person or property whatsoever. The Pony Club, the HPA, Pony Club Polo and tournament and event Organisers aim to meet the necessary medical, veterinary and health and safety standards but the responsibility for the players, spectators and supporters rests with the individuals and, if they are under 18 years, with their parents or guardians both on and off the ground. A player with a known medical condition must obtain qualified medical approval before participating in any Pony Club Polo activity.

Parents are responsible for the behaviour of their children at all times when their children are participating in any Pony Club Polo event.

Every eventuality cannot be provided for in these rules. In any unforeseen or exceptional circumstances or any other issue in connection with Pony Club Polo it is the duty of the relevant officials to make a decision in a sporting spirit and to approach as nearly as possible the intention of these rules. It is the competitor’s responsibility to ensure they are complying with the rules of the competition.
PONY CLUB POLO COMMITTEE

All Rules are made by The Pony Club Volunteer Committees including consultation with others.

The Pony Club Office provides administrative support and any queries or questions relating to these rules must be directed to the Chairman of the relevant sport and copied to polo@pcuk.org.

1. INTRODUCTION

Do you enjoy riding and team games? Does your pony enjoy an occasional gallop? Have you got a good eye for the ball? If so, you should contact your local Pony Club and find out more about polo.

The Hurlingham Polo Association is the governing body for polo in the United Kingdom and Ireland. Its history goes back to 1874 when the first polo match was played at the Hurlingham Club in London, following which the first set of rules was drawn up in 1875. The HPA makes an annual grant to Pony Club Polo and was delighted that the following Pony Club Branches were represented in 2018:

The Polo Charity very kindly gave a grant to the Pony Club for introducing and training young players in 2018. The committee hopes that this will encourage more Branches and Centres to play.

GENERAL

1.1 Pony Club Polo is played by young people aged 6-21 years old. There are four Pony Club Sections based on age groups: Jorrocks (JOR), Handley Cross (HX), Surtees (SUR) and Rendell/Loriner (REN); and two Sections based on age and handicap: Langford (LAN) and Cannon (GAN). The best teams in each Section play the finals at The Pony Club Polo Championships at Cowdray Park over a weekend in early August. In addition to a full programme of tournaments and training in the summer holidays, there are arena tournaments and training courses in the Easter holidays. In 2008 Junior HPA Polo was incorporated with Pony Club Polo. From 2014, Junior HPA became separate from Pony Club Polo, while still maintaining a close relationship.

1.2 In 2019 there were 39 teams playing. Pony Club Polo is designed, above all, to be fun.

1.3 Pony Club Polo is founded upon the principle of one player, one pony, making it widely accessible. It is possible to play polo starting at 6 years
old and finishing at 21 with only one pony. However, to cater for those who wish to progress further, and to provide a bridge into adult polo, two Sections of Pony Club Polo, Langford and Gannon, play two or four chukka matches needing two to four ponies per player. The flagship of Pony Club Polo is the Gannon competition.

1.4 Pony Club Polo has a comprehensive training and coaching system to teach all aspects of the sport: riding, hitting the ball, tactics, umpiring and horse management. Local training is organised by individual Pony Club Branches and Centres.

1.5 Individuals and teams are invited to represent The Pony Club abroad and in the UK. Individuals can also be selected on merit to participate in the HPA Select Teams and HPA Overseas Work Experience Bursary Schemes, which allow talented players to receive training overseas.

1.6 HPA Support. The Hurlingham Polo Association (HPA) makes a major contribution to Pony Club Polo in pursuit of its objective to improve the sport. They provide the structure for training and accrediting coaches. They organise the HPA Select scheme and Overseas Work Experience Bursaries. Players are selected by the HPA Development Committee in conjunction with The Pony Club Polo Committee, Branch and Centre Managers and Polo Clubs. Final selection for the Junior Select Teams is made during the Cowdray Championships. Bursaries are decided at a separate selection process. These awards are highly prized and make a valuable contribution to improving the sport in the United Kingdom.

1.7 Pony Club Polo acts within the rules of the governing body of the sport, the Hurlingham Polo Association, except where they are overridden by Pony Club Polo rules which will then take precedence.

**SHORT HISTORY**
1.8 Pony Club Polo started in 1933 but it was not until 1959 that it emerged in its modern format. Brigadier Jack Gannon and Major Claude Davenport organized five Branch teams to play at the Mons Officer Cadet School, Aldershot on 8th September 1959 (New Forest, Hampshire Hunt, Old Berkshire, Staff College and Bisley participated). Today Pony Club Polo is run by a voluntary committee and is an independent sport under the auspices of The Pony Club. There have been nine Chairmen: Col Jacobs 1959-60, Col Cubitt 1961-66, Col Pat Langford 1967-76, Buff Crisp 1977-89, Brigadier John Wright 1990-97, Luke Borwick 1998, David Cowley 1999-2007 and Theresa Hodges 2008-2013. Charles Whittington is the current Chairman. The Championships have been played at five different locations: Aldershot 1959, Cirencester 1964 and 1974, Kirtlington 1968 and Windsor 1971. Since 1977 the Championship finals have been
held at Cowdray Park. Pony Club Polo saw an explosion of interest in the 1980s and 1990s. In 1985 there were only 23 teams but by 1991 the number of teams competing had grown to 84 with over 100 teams competing in 2003. In 1988 the Gannon competition became four chukka matches and has been a great success. The following year the Loriner Section was introduced and in 1993 the Jorrocks Section. In 1998 the Langford Section, playing three-chukka matches came in and in 2003 the Surtees Section for under 14s on polo ponies. In 2008 Rendell became two chukkas and a new Section called Ledner to provide one chukka polo for under 21s was introduced. Also in 2008, along with the HPA a new Section, Hipwood, was introduced for players under 15 playing three chukka matches; this section is now run by the HPA independently to The Pony Club. In 2019, Loriner and Rendell have been merged although all the trophies will still be awarded. Fresher divisions have been introduced to Rendell and Surtees for first year players. Also in 2019, a “three from four Qualifiers” system has been introduced. Today a large majority of the 50 best players in the United Kingdom played Pony Club Polo. In 2019 all of the members of the England team in the Coronation Cup played Pony Club Polo.
2. GENERAL RULES FOR ALL SECTIONS

2.1 ORGANISATION OF SECTIONS
Pony Club Polo is organised in seven Sections, some of which may be divided into a number of divisions. Each Section is run by a Section Manager.

* -1 players under the age of 16 may play at the discretion of the Section Manager.
** -2 players under the age of 14 may play at the discretion of the Section Manager.

2.2 PLAYERS’ DRESS
New equipment is not expected, but what is worn must be clean, neat, tidy and safe.
It is the competitor’s responsibility to ensure their dress complies with the Rules. Contravention may incur disqualification.

a) General – At tournaments all players must wear team shirts with numbers and the sponsors logo, white breeches/white jeans, kneepads and proper riding boots (leather or rubber).

b) Footwear – Only standard riding or jodhpur boots with a well defined square cut heel may be worn. Plain black or brown half chaps may be worn with jodhpur boots of the same colour. Tassels and fringes are not allowed. No other footwear will be permitted, including wellington boots, yard boots, country boots, “muckers” or trainers.
Boots with interlocking treads are not permitted, nor are the boots or treads individually.

Stirrups should be of the correct size to suit the rider’s boots (see the Stirrup rule). Laces on boots must be taped for Mounted Games only.

c) **Kneepads** – Players in all Sections, other than HX and JOR, must wear kneepads. It is recommended that HX and JOR players do as well, but it is not compulsory.

d) **Shirts** – A register of team colours for Pony Club Polo is kept at The Pony Club office. Teams wishing to change or select colours should apply to The Pony Club office. In the event of a clash of colours in a match the team to change shirts will be the one lower in the draw (as per HPA rules).

e) **Hats** – It is mandatory for all Members to wear a protective helmet at all times when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall. This rule defines the quality of manufacture that is required. The individual sports also have additional requirements with regard to colour and type. It is strongly recommended that second hand hats are not purchased.

The hat standards accepted as of 1st January 2020 are detailed in the table below:

<table>
<thead>
<tr>
<th>Hat Standard</th>
<th>Safety Mark</th>
<th>Allowed at the following activities:</th>
</tr>
</thead>
<tbody>
<tr>

<tr>
<td>AS/NZS 3838, <strong>2006 onwards</strong></td>
<td><img src="image" alt="AS/NZS 3838" /></td>
<td>All activities</td>
</tr>
</tbody>
</table>
For cross-country riding (over 80cm) including Eventing, Tetrathlon, Horse Trials, Pony Racing (whether it be tests, rallies, competition or training) and Mounted Games competitions, a jockey skull cap must be worn with no fixed peak, peak type extensions or noticeable protuberances above the eyes or to the front, and should have an even round or elliptical shape with a smooth or slightly abrasive surface, having no peak or peak type extensions. Noticeable protuberances above the eyes or to the front not greater than 5mm, smooth and rounded in nature are permitted. A removable hat cover with a light flexible peak may be used if required.

It is strongly recommended that a jockey skull cap is worn for cross-country riding over lower fences (less than 80cm) as there is research evidence that a fall onto the fixed peak can result in an over extension of the neck backwards with the potential for serious injury.

No recording device is permitted (e.g. hat cameras) as they may have a negative effect on the performance of the hat in the event of a fall.

The fit of the hat and the adjustment of the harness are as crucial as the quality. Members are advised to try several makes to find the best fit. The hat should not move on the head when the head is tipped forward. Most helmet manufacturers recommend you visit a qualified BETA (British Equestrian Trade Association) fitter.

Hats must be replaced after a severe impact as subsequent protection will be significantly reduced. Hats deteriorate with age and should be replaced after three to five years depending upon the amount of use.

Hats, must be worn at all times (including at Prize Giving) when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall.

For Show Jumping and Mounted Games the cover, if applicable, shall be dark blue, black or brown only.

For Dressage, hats and hat covers must be predominately black, navy blue or a conservative dark colour that matches the rider’s jacket for Area competitions or above. The Pony Club Hat silk is also acceptable.

The Official Steward / Organiser may, at his discretion, eliminate a competitor riding in the area of the competition without a hat or with the chinstrap unfastened or with a hat that does not comply with these standards.
Hat Checks and Tagging
The Pony Club and its Branches and Linked Centres will appoint Officials, who are familiar with The Pony Club hat rule, to carry out hat checks and tag each hat that complies with the requirements set out in the hat rule with an aquamarine Pony Club hat tag. Hats fitted with an aquamarine Pony Club, British Eventing (BE) or British Riding Club (BRC) hat tag will not need to be checked on subsequent occasions. However, The Pony Club reserves the right to randomly spot check any hat regardless of whether it is already tagged.

Tagging indicates that a hat meets the accepted standards, NO check of the fit and condition of the hat is implied. It is considered to be the responsibility of the Member’s parent(s) / guardian(s) to ensure that their hat complies with the required standards and is tagged before they go to any Pony Club event. Also, they are responsible for ensuring that the manufacturer’s guidelines with regard to fit and replacement are followed.

Please note that NO PLAYER will be allowed onto a Polo ground or into a training session with a hat which has not been tagged. Any players without a tagged hat will be sent off the field immediately and their Branch Manager informed. There is not always a person qualified to tag hats at Pony Club Polo tournaments and training sessions, so the onus is on Branch Managers to ensure that hats have been tagged before tournaments start.

f) **Hair** – In the interest of safety, long hair is to be secured appropriately.

g) **Spurs** – May be worn at Rallies and other events. Any misuse of spurs will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman. Any reported riders will be recorded and monitored.

Sharp spurs are not permitted. Only blunt spurs, without rowels or sharp edges, and spurs that have a smooth rotating ball on the shank may be worn. If the spurs are curved, the curve must be downwards and the shank must point straight to the back and not exceed 4cm in length. The measurement is taken from the boot to the end of the shank.

| No spurs are allowed in JOR, HX, SUR or LOR/REN. |

h) **Whips** – Restricted to 48 inches in length, including the tag. Broken whips are not allowed.
i) **Jewellery** – For safety reasons players may not wear jewellery or studs, apart from medical jewellery. Members who are contemplating piercing their ears or any other part of their body should be aware that they will not be allowed to participate in any Pony Club mounted activities until such a time as the ‘sleepers’ can safely be removed. The reason for this is that sleepers have in the past caused injuries following falls. **This rule will be strictly enforced.**

**In the event of a person being unable to remove permanent jewellery, it must be adequately protected by being covered by a sticking plaster or other appropriate material prior to presenting at tack check. The wearing of such jewellery while competing is at the risk of the Member / parent / guardian.**

j) **Faceguards/Goggles/Gum Shields** – The wearing of faceguards or goggles and gum shields are recommended. Gum shields should be properly fitted by a dentist.

k) **Body Protectors** – may be worn, see Appendix A.

l) **Electronic Devices** – Headphones, mobile phones etc. enabling another person to communicate with the rider are not allowed whilst the rider is playing. No recording device is permitted.

m) **Medical Armbands** – are advised if members are not accompanied by a responsible adult, including hacking on roads and are compulsory for Pony Racing and for Endurance rides.

### 2.3 EQUIPMENT FOR PONIES

New equipment is not expected, but what is worn must be clean, neat, tidy and safe.

It is the competitor’s responsibility to ensure their tack complies with the Rules. Contravention may incur disqualification.

a) **Boots and Bandages** – Ponies must be bandaged or wear protective boots on all four legs and tails must be put up. In the event of a bandage coming undone play will be stopped. It is at the discretion of the umpire whether play waits while the bandage is done up securely. Undue delay will not be accepted. It is therefore important that all players have the ability to do up bandages quickly and efficiently.

b) **Bridles** – Plain black or brown leather bridles only may be used.

c) **Blinkers** – are not allowed. Nor is any form of noseband or cheeks that obstructs the vision of the pony such as sheepskin.
d) **Bits** – All bits should fit properly and be suitable for playing polo. Any bits deemed by The Pony Club Polo Committee to be excessively thin in the mouthpiece will not be accepted. All synthetic bits must be black, brown or white. Ponies may not be played in a bitless bridle (hackamore). Any misuse of a bit/bridle will be reported to the DC/Centre Proprietor, Area Representative and Training Chairman. Any reported riders will be recorded and monitored. Any abuse of the pony’s mouth will be penalised and the player will not be allowed to play.

e) **Studs**

i. Only one recognised polo stud without a hard centre of ½ inch (13mm) cubed can be fitted to the outside of each hind shoe within 1 inch (25mm) of the heel. The studs should not be placed at the widest part of the shoe. This is the recommended method.

ii. Road nails with a hardened tip are allowed on the outside of each hind shoe.

iii. Ponies found with the incorrect studs will not be allowed to play until the studs are removed.

f) **Standing Martingales** – are to be worn by all ponies and must be of leather.

g) **Nosebands** – Only one may be worn unless using a standing martingale with a combination, kineton, drop noseband or similar in which case the addition of a cavesson is allowed. Nosebands must be correctly fitted and should not cause discomfort. Nosebands must not incorporate chain or rope, but plaited rawhide is allowed.

h) **Clip on Tack** – is not permitted.

i) **Reins** – Rope reins are not permitted. Bridge reins are not allowed.
j) **Humane Girths** are NOT permitted. A humane girth is described as having non-independent straps that will loosen if one of the straps were to break.

k) **Stirrups** should be of the correct size to suit the rider’s boots. They must have 7mm (¼”) clearance on either side of the boot. To find this measurement, tack checkers should move the foot across to one side of the stirrup, with the widest part of the foot on the tread. From the side of the foot to the edge of the stirrup should be 14mm.

Note: There are now many types of stirrups marketed as ‘safety stirrups’. All riders must ensure that their stirrups are suitable for their type of footwear, the activities in which they take part and that the stirrup leathers are also in good condition.

There are no prescribed weight limits on metal stirrups, however with the advent of stirrups of other materials, weight limits are seen to be given by manufacturers. Any person buying these stirrups, should, take particular notice if weight limits are on the box or attached information leaflets.

Neither the feet or the stirrup leathers or irons, may be attached to the girth, nor the feet attached to the stirrup irons.

l) Incorrectly or badly fitting tack or tack in a dangerous condition is not allowed. Nosebands and curb chains must be properly fitted.

m) It is the player’s responsibility to ensure that their tack and equipment is in accordance with the rules and safe. Players must present themselves for inspection as required.

2.4 **ELIGIBILITY OF PLAYERS**

a) Ages are as at 1st January of the current year.

b) District Commissioners must certify that all players are paid up Members of The Pony Club.

Players must be Members of The Pony Club both at the closing date for entries to the competition and at the date of the relevant competition to be eligible to compete at Qualifiers and at the Championships.
c) Players with handicaps of 0 goals or below are required to attend three training events based on The Pony Club Polo Handbook curriculum either at Area, Branch or Centre level. In the case of HX and JOR, players must attend three Pony Club rallies, at least two of which with their ponies, as from 1st July of the previous year. Attendance at camp counts as one rally.

d) A player may only play in one Section and may not play in more than one team, except for SUR and HX (see Rules 3.6 and 3.7).

e) All players who play in HPA invitation or Junior Polo events are eligible to play in Pony Club Polo provided they are Members of The Pony Club and adhere to these rules. Players and Section Managers must satisfy themselves that players intending to play in both Junior HPA or Club Polo as well as Pony Club tournaments have sufficient ponies for the number of matches involved. After the schedule for LAN and GAN has been agreed, and the dates for the Qualifiers for other Sections have been fixed, The Pony Club Polo Committee will not alter times or venues on demand from players or teams, but will allow substitutions within the rules if there is no alternative.

f) All players in Gannon, Rendell and Langford MUST have passed the HPA Rules test by 31st May. Guidance on how to arrange a test is given in Guidance to Branch and Centre Managers (Section 7).

g) Novice players in their first year of Pony Club Polo may be allowed to play in a Section below their age group at the discretion of the Section Manager.

h) Please Note: It is a requirement of the HPA that, to play at an affiliated polo club, players must be registered with the HPA. As Pony Club Polo uses HPA affiliated clubs, Pony Club players not already registered with the HPA will need to do so if they wish to compete. This can be done as a free of charge "Introductory/Pony Club" membership on the HPA website – hpa-polo.co.uk/membership/become-a-member.

2.5 PONIES

a) The welfare of ponies is given high priority. Ponies in overall poor condition, unsound or which have been tubed, or which are blind in one eye or showing blood from the mouth, flanks or any other part are not allowed to play.
b) Vaccinations
To protect the health of other competing horses and the biosecurity of the venue, the following rules will apply to all Pony Club Competitions:

i. Passports
A valid passport and vaccination record:
• must accompany the horse / pony to all events
• must be available for inspection by the event officials
• must be produced on request at any other time during the event

ii. No horse / pony may compete (or be present at the event as a companion) unless it has a Record of Vaccination against equine influenza completed by the veterinary surgeon who gave the vaccination, signed and stamped line by line, which complies with the Minimum Vaccination Requirements.

iii. The Minimum Vaccination Requirements for a horse / pony are that it has received:
• a Primary Vaccination followed by a Secondary Vaccination given not less than 21 days and not more than 92 days after the Primary Vaccination; and
• if sufficient time has elapsed, a booster vaccination given not less than 150 days and not more than 215 days after the Secondary Vaccination and further booster vaccinations at intervals of not more than a year apart

iv. The most recent booster injection must have been given within the six calendar months prior to the date of the competition. Please note that at all tournaments held at HPA clubs (including friendlies) a six-month vaccination will be required.

v. No horse / pony may compete on the same day as a relevant injection is given or on any of the 6 days following such an injection.

NOTE: We also remind owners of the importance of vaccinations and to ensure that their vaccination records are up to date. The vast majority of confirmed cases reported by the Animal Health Trust are in unvaccinated horses. We continue to recommend that if it has been longer than six months since the last vaccination, owners should discuss a booster with their veterinary surgeon.
c) All passports for polo ponies should be registered with the HPA.

d) All ponies must be fit and should have been regularly ridden before the season.

e) Ponies may not be ridden unbridled at any time.

f) Any pony which is considered by an umpire, or a member of The Pony Club Polo Committee, to be unsafe or out of control can be ordered off the ground and may not be permitted to be ridden in further Pony Club Polo events or tournaments for the rest of the season.

g) Stallions can only be ridden at Pony Club events with the written permission of the District Commissioner and the stallion must wear an identifying disc.

h) A pony in Pony Club Sections may only play a maximum of three 6 minute chukkas or four 4.5 minute chukkas (18 minutes) in one day. In GAN and LAN a pony may not be played for more than two full non-consecutive chukkas or the equivalent time. A pony that has played in more than half a chukka may not be played again for at least 10 minutes.

2.6 ELIGIBILITY EXCEPTIONS
Following the Qualifiers, in the event of genuine hardship, injury or illness, the restrictions on players and ponies may be modified by the Section Manager whereby any Pony Club player who has not qualified for the Championships can be used as a substitute provided the preferences in Rule 4.4 are taken into account. Such modifications will be advertised to Branch and Centre Managers.

2.7 TRAINING
It is the absolute intent of The Pony Club and the HPA that all players will engage with training at Branch, Area and National level to improve their game and their standard of horsemastership and pony welfare commensurate with the Section in which they are playing, their ability and age. It is expected that players in Gannon, Rendell and Langford will join in with Branch or Centre training activities and help less able players whenever it is appropriate and possible.

Training is a Branch and Centre based activity. The Pony Club Polo Handbook sets out the curriculum for all training events which include Branch-based working rallies, Centre training sessions, polo rallies, Area/regional courses, overseas training, development courses and dismounted lectures on horse management. Players of 0 goals and below in all Sections should attend at least three training events per year.
It is recommended that players 12 years and above should have passed their C Test.

Players in Gannon, Langford and Rendell Sections must have passed their HPA Rules Test and it is strongly recommended that Surtees players should have as well.

A training event includes the following activities:

- Pony Club Branch/Centre instruction, including working rallies
- Pony Club polo rallies
- Pony Club/HPA courses organised at Branch, Area or National level
- Pony Club/HPA overseas training
- Pony Club/HPA lectures on horse management
- Pony Club/HPA veterinary talks
- HPA Development Courses

### 2.8 Accident or Injury

In Pony Club Polo if a pony falls, is injured or goes lame, or if a player falls off or is injured the umpire shall stop the game and will not restart it until the situation has been dealt with.

In the case of broken tack which is considered dangerous (such as a broken girth, broken bit or curb chain, a broken martingale if the end trails on the ground, a broken rein if single, or a loose bandage) the umpire will stop the game. If it can be rectified by the player immediately and quickly the umpire may allow the player to do so on the ground, otherwise the player must leave the ground and the umpire will restart the game immediately when the player has left the ground. A broken or lost stirrup leather is not considered dangerous and the game will not be stopped for this.

If an injury occurs during a chukka and a player has to leave the ground, it is expected that one of the players of a similar standard or handicap from the opposing team will step down for the rest of that chukka.

### 2.9 Action After a Fall

Any competitor who has a fall or sustains a serious injury anywhere at the competition site **MUST** see the medical personnel on the day and be passed fit to ride before riding that horse in a further chukka or before riding any other horse.
2.10 HEAD INJURIES AND CONCUSSION

a) **General Advice**

Head injuries and concussion are life threatening and potentially life changing incidents. Serious head injuries are usually obvious, but concussion can be very subtle and not always immediately apparent.

Head injuries result from a mechanical insult to the head, and can cause traumatic brain injury, possibly leading to permanent disability or death.

Concussion is a disturbance in brain function caused by a direct or indirect blow to the head. Some people describe concussion as mild traumatic brain injury. Concussion should be seen as part of a spectrum of brain injury with traumatic brain injury at one extreme and no injury at the other. Typically concussion cannot be seen on standard brain scans, which makes it difficult to diagnose objectively. Repeated injury to the head can worsen an already pre-existing concussion, even if the time between injuries is counted in days or weeks.

The Pony Club wants to ensure members / riders attending Pony Club activities enjoy themselves and get the most out of riding. At the same time, they must also balance that enjoyment with members’ / riders’ safety. This may mean on occasion that members / riders are asked not to ride by officials who believe they may have sustained a concussion either at the time of injury or from a previous injury (which may not have been sustained whilst riding). Parents / guardians, members, officials and other riders must respect this decision. It is a decision sometimes made without having objective evidence, but it is made in good faith and in the pursuance of avoiding further harm.

b) **Incidents that could cause head injuries or concussion**

Any member / rider who, at a Pony Club activity, suffers an incident that could cause head injury or concussion (for example, a fall from their horse / pony) should be assessed.

The person who does this assessment will depend on the first aid cover that is in place for that activity. Depending on the level of first aid cover then the exact process of diagnosing whether the member has suffered:

- No head injury / concussion
- A suspected head injury / concussion
- Confirmed head injury / concussion.

Each option is talked through in more detail below.
From the assessment being carried out it may be immediately obvious that there is no cause for concern. In the course of Pony Club activities, The Pony Club is well aware that there are different kinds of falls and that assuming every fall leads to a head injury would be counterproductive to the aims of the organisation. We ask that reasonable care is taken to ensure members / riders have not sustained a serious head injury or concussion.

c) **Unconsciousness**
If a member / rider is unconscious following an incident they should be treated as if they are suffering with a confirmed concussion and the steps in point f) overleaf should be followed.

d) **Who can diagnose head injury or concussion?**
Diagnosis of a head injury or concussion (both confirmed and suspected) can be carried out by any level of first aid cover officiating at a Pony Club activity. These could be a trained or qualified first aider (including a coach), a paramedic or a doctor. If there is any doubt as to the diagnosis the member / rider should see the highest level of first aid cover that is present and they should make the diagnosis. If the first aid cover at the activity cannot reach a definite diagnosis then they should refer the member / rider to a hospital or a doctor off site for them to make a diagnosis.

It would be more usual for a trained or qualified first aider to say they suspect a head injury or concussion than to diagnose it themselves. If they are the highest level of first aid cover available at the activity that will mean the member / rider has to go off site to have the diagnosis made by a doctor.

The member / rider should not ride again until they have been seen by a doctor. This may mean that the rider will miss any part of an activity or competition.

e) **Actions to be taken in the event of a suspected head injury or suspected concussion diagnosis**
If a diagnosis of a suspected concussion or head injury is made by a first aider, they should advise the parents / guardians to take the member / rider to hospital.

Any member / rider who has been diagnosed with a suspected or confirmed head injury or concussion should not be left alone and must be returned to the care of their parents / guardians where appropriate.
Once a diagnosis of suspected head injury or concussion is made by the highest level of official first aid cover present at the activity, then that decision is final. No one may overrule that decision on the day if it is made in good faith. If a member / rider is advised to see a doctor because of suspected head injury or concussion and the parents / guardians decide not to allow the member to be examined (either at the activity or in hospital), the member will not be allowed to ride again on the day and will be treated as if they have sustained a confirmed head injury / concussion. Depending on the circumstances, the decision not to allow further examination may be considered a safeguarding issue.

Where a member / rider is diagnosed with a suspected concussion by a first aider or paramedic and that member / rider subsequently sees a doctor who is sure that they do not have a concussion and did not suffer a concussion and will provide evidence that they are satisfied that the member / rider is well, that member / rider will be treated as if they did not sustain a concussion.

f) **Actions to be taken in the event of a confirmed head injury or confirmed concussion**
   In the event of a diagnosis of a confirmed head injury or confirmed concussion, the doctor will advise the member not to ride or take part in any activity that potentially involves hard contact for three weeks. They will advise the member that they could, after 10 days, ask a doctor, who is experienced in assessing concussion (including in children where appropriate), whether they have any concerns about any ongoing concussion problems. If that doctor is happy to certify that the member is not suffering with a concussion, the member may ride again, providing evidence regarding that decision is provided. If no evidence that such an assessment has been made, the member should not take part in any Pony Club riding activity and/or any unmounted activity that may involve any hard contact for at least three weeks after the initial injury.

g) **Actions to be taken in the event of a diagnosis of a confirmed or suspected head injuries/ concussions outside of Pony Club activities**
   The Pony Club has no official way of automatically knowing about members who sustain a confirmed or suspected head injury / concussion outside of Pony Club activities. A concussion may be sustained outside Pony Club activities, for example at riding activities organised by other BEF member bodies or at school football / rugby / hockey matches. It is for parents / guardians ultimately to make a decision about the welfare of their child.
However, if a Pony Club official in charge of any Pony Club activity becomes aware that a member has sustained a suspected or confirmed head injury / concussion and has been advised not to take part in any potentially hard contact activities for three weeks, they should not allow the member to take part in any mounted activities and/or any unmounted activities that could potentially involve hard contact for three weeks, unless the member or their parents / guardians can produce appropriate medical evidence of fitness to ride dated at least 10 days after the initial injury,

See Appendix B for Head Injury and Concussion Flowchart.

2.11 SUSPENSION FROM COMPETING FOR MEDICAL REASONS
If a player is banned/suspended from competing in any sport for medical reasons they should not compete in any Pony Club event until passed fit for the sport in which they are banned/suspended. It is the responsibility of the player or parent/guardian to ensure that the rule is adhered to.

2.12 PERFORMANCE-ENHANCING DRUGS
a) Equine – Controlled medication. It is clearly essential for the welfare of the horse that it is given appropriate veterinary treatment if and when required and that this should include appropriate medication. Medication however may mask an underlying health problem and horses should not compete when taking medication where such medication may have a detrimental effect on the horse’s welfare.

b) Human – Performance-enhancing drugs are forbidden.

c) All competitors should be aware that random samples may be taken for testing from both themselves and/or their horse. The protocol used will be that of the relevant adult sport.

2.13 PROHIBITED SUBSTANCES FOR PLAYERS AND PONIES
In accordance with The Pony Club policy, the framework for the adult sport shall apply. For Polo this means the HPA Blue Book regulations on prohibited substances for players and ponies shall apply, in addition to the laws of the country in which the competition is taking place. Players and parents are strongly advised to familiarise themselves with these rules, which are published on the HPA website and in the Blue Book. They are there for safety reasons, and lack of knowledge of these rules, or the law of the land, will NOT be accepted as an excuse in disciplinary proceedings, either by the HPA or by The Pony Club. Ponies and players are liable to random tests that will be carried out during the season in accordance with the above regulations. All players aged 18 and over on the day of the test will be required to participate in testing if requested to do so by an authorised official. Players under 18 will be requested to obtain consent of a parent or legal guardian to their participation in testing. Branch and Centre Managers will be informed on
the procedures for testing. In the event that a player or pony fails a HPA drug test, or any Committee Member or Tournament Organiser has grounds for suspicion that HPA regulations or the law have been infringed, a disciplinary hearing will be convened under rule 3. In addition, in the event of suspicion that the law of the land has been broken, the police will be informed immediately, together with a parent if the player is under 18 years.

2.14 SPONSORSHIP
In the case of players and ponies, no form of advertising, and this includes a sponsor’s name, may appear on the players or pony’s clothing and equipment at any Pony Club competition. This does not preclude the wearing of clothing for ponies or riders that has been presented by sponsors of the Championships in the current or previous years.

Sponsors at friendly and qualifier tournaments must not be business competitors of the main sponsors of the sport, and must be approved by The Pony Club office. Any advertising material that is used by sponsors, whether it is in the form of display banners or programme material, must be tasteful and not inappropriate to the image of The Pony Club.

2.15 INSURANCE
The Pony Club Third Party Legal Liability Insurance Policy is extended to give cover for all the official Area Competitions and the Championships. Details of this insurance are given in the “Administrative Notes” in the current issue of The Pony Club Handbook.

In the event of any accident, loss or damage occurring to a Third Party or to the property of a Third Party (including the general public and competitors) no liability should be admitted, and full details should be sent at once to The Pony Club Office.

2.16 HEALTH AND SAFETY
Organisers of this event have taken reasonable precautions to ensure the Health and Safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organisers and all the officials and stewards.
2.17 LEGAL LIABILITY
Save for the death or personal injury caused by the negligence of the
organisers, or anyone for whom they are in law responsible, neither the
organisers of this event or The Pony Club nor any agent, employee or
representative of these bodies, nor the landlord or his tenant, accepts any
liability for any accident, loss, damage, injury or illness to horses, owners,
riders, spectators, land, cars, their contents and accessories, or any other
person or property whatsoever, whether caused by their negligence breach
of contract or in any other way whatsoever. Entries are only accepted on this
basis.

2.18 PARKING
No cars or horseboxes may be parked in such a way as to block the access
of ambulances, horse ambulances or other emergency vehicles. All cars and
horseboxes must be parked with consideration for others and in compliance
with Tournament Organisers instructions.

2.19 TREADING-IN
All players are expected to tread-in when requested and particularly at the
end of a tournament or day’s play.

2.20 MEETINGS
There are committee and Branch and Centre Managers’ meetings at the
beginning and end of the season and as required. A meeting or email
exchange for prospective Gannon and Langford teams is held pre-season to
arrange dates and places of play.

2.21 INTERPRETATION OF THE RULES
When a situation arises where these rules are not applicable or ambiguous,
or if in the opinion of the committee the circumstances are exceptional, the
committee’s decision on a course of action will be final.
3. SECTION RULES

3.1 GANNON (Under 21 on 1st January)

a) General – For teams with a handicap of 0 – 4 goals. Teams with an aggregate handicap of less than -2 goals must play off 0 goals. The Section will be divided at Cowdray; Gannon I will be played for the Daily Telegraph Trophy and Gannon II will be played for the Jaguar Trophy. Depending on the number and level of entries, the Section Manager may also decide to divide the qualifying tournament.

b) Handicap – For players with a handicap of -1 or above. -1 players under the age of 16 may play at the discretion of the Section Manager.

c) Ties – Pony Club Polo rule 4.7 b) applies where a result is required.

d) Matches – Each match shall be two or four chukkas and played under HPA rules. Matches will be played under handicap conditions.

e) Umpire – The Tournament Committee will appoint the umpires, who shall be approved HPA Umpires. Players will be expected to act as second umpire for GAN and LAN on their own pony, and umpire other Pony Club Sections as required not necessarily on their own pony. Teams are expected to provide umpire ponies for either their match or, by direct arrangement with the other teams playing on the day, the match preceding or following.

f) Venues – GAN matches will usually take place on Qualifier tournament days. In case of severe congestion they may be scheduled on other days or grounds. Teams must attend a pre-season meeting or email exchange organised by the Section Manager which will confirm the draw and days and places of play. After this meeting, no requests by teams or players to alter dates or venues will be entertained. In the event of unavoidable unavailability, a substitute may be played according to the substitution rules.

g) Teams MUST have a nominated Branch or Centre Manager and it is strongly recommended that Gannon teams are advised by an HPA coach.

h) Rules Test – Gannon players must have passed the HPA Rules Test.
3.2 RENDELL (Under 21 on 1st January)

a) General – One chukka matches for players of 14 and over and under 21 on 1st January of the current year. Players under the minimum age can play at the discretion of the Section Manager; they will be expected to have played at least two years of SUR or the equivalent schools competitions. Teams must play in three Qualifier tournaments with the members as entered for the Championships. League points will be awarded in all Friendly and Qualifier tournaments.

b) Matches/Chukkas – Matches will be one chukka of 6 minutes.

c) Handicaps – The maximum individual handicap is +1. Teams may only include one player with a +1 handicap and that player must play for their own Branch or Centre. Matches are played open except where a team includes a player with a +1 handicap in which case they will concede a 1/2 goal per chukka.

d) Ties – Pony Club Polo rule 4.7 b) applies where a result is required.

e) Umpire – Only one HPA-qualified umpire is required for friendly tournaments, but either two HPA C grade umpires or one B grade umpire or above is recommended for the Qualifiers and the Championships.

f) Rules Test – Rendell players must have passed the HPA Rules Test which can be obtained even if not a member of the HPA.

g) Freshers – There will be a division of Rendell/Loriner for any team whose players are in their first season of polo (but have passed the HPA Rules Test). Fresher players are defined as players who have not played in any Club, SUPA or Pony Club competition before 1st September 2018.

3.3 LANGFORD (Under 21 on 1st January)

a) General – For teams with a handicap of -6 – 0 goals. Teams with an aggregate handicap of less than -6 goals must play off -6 goals. The Section will be divided at Cowdray; Langford I will be played for the Jack Gannon Trophy and Langford II will be played for the Martin Trotter Trophy. Depending on the number and level of entries, the Section Manager may also decide to divide the qualifying tournament.

b) Handicaps – For players with a handicap of -2 goals or above (i.e. not S). -2 players under the age of 14 may play at the discretion of the Section Manager.
c) Matches – Each match shall be two or four chukkas of 6 minutes ending on the first bell. HPA rules regarding position of starting second and subsequent chukkas shall apply. Matches will be played under handicap conditions.

d) Match Tie – Pony Club Polo rule 4.7 b) applies where a result is required.

e) Umpires and Umpire Ponies – The Tournament Committee will appoint the umpires, who shall be approved HPA Umpires. Players will be expected to act as second umpire for GAN and LAN on their own pony, and umpire other Pony Club sections as required not necessarily on their own pony. Teams are expected to provide umpire ponies for either their match or, by direct arrangement with the other teams playing on the day, the match preceding or following.

f) Venues – LAN matches will usually take place on Qualifier tournament days. In case of severe congestion they may be scheduled on other days or grounds. Teams must attend a pre-season meeting or email exchange organised by the Section Manager which will confirm the draw and days and places of play. After this meeting, no requests by teams or players to alter dates or venues will be entertained. In the event of unavoidable unavailability, a substitute may be played according to the substitution rules.

g) Teams MUST have a nominated Branch or Centre Manager and it is strongly recommended that Langford teams are advised by an HPA coach or senior player.

h) Rules Test – Langford players must have passed the HPA Rules Test.

3.4 SURTEES (Under 15 on 1st January)

a) General – One chukka matches for players 9 and over and under 15 on 1st January of the current year. Teams must play in three Qualifier tournaments with the members as entered for the Championships. League points will be awarded in all Friendly and Qualifier tournaments.

b) Handicaps – Matches are played open. Maximum individual handicap is -1 and -1 goal players must play for their own Branch or Centre.

c) Ties – Pony Club Polo rule 4.7b) applies where a result is required.

d) Umpire – Only one HPA qualified umpire is required.

e) May play HX on a HX pony (see Rule 3.6c)
f) Freshers – There will be a division of SUR for any team whose players are in their first season of polo (but have passed the HPA Rules Test). Freshers players are defined as players who have not played in any Club, SUPA or Pony Club competition before 1st September 2018.

3.5 HANDLEY CROSS (Under 14 on 1st January)

a) General – One chukka matches for players 9 and over and under 14 on the 1st January of the current year. Teams must play in three Qualifier tournaments with the members as entered for the Championships. League points will be awarded in all Friendly and Qualifier tournaments.

b) Handicaps – Matches are open. Maximum individual handicap is -2 and -2 players must play for their own Branch or Centre.

c) Pony Restrictions
i. Ponies must be 148cm (14.2h) or under and be genuine all round Pony Club ponies that have regularly attended non-polo Rallies in the previous twelve months. No polo ponies may be played i.e. ponies may not have played competitive polo under an adult (over 18). In the event of doubt over the eligibility of a pony the onus is on the Branch or Centre Manager to clear the proposed pony with the Section Manager. The same pony must be played throughout the season, except in exceptional circumstances verified by the Section Manager. All ponies may be subject to measuring at tournaments in accordance with Joint Measurement Board rules.
ii. A player and/or pony playing HX may only play in one team.

d) Ties – Pony Club Polo rule 4.7 b) applies where a result is required.

e) Umpire – Only one HPA-qualified umpire is required.

f) May play in addition EITHER SUR on a SUR pony OR JOR under the conditions listed in the JOR Section opposite.

3.6 JORROCKS (Under 11 on 1st January)

a) General – One-chukka matches for players 6 and over and under 11 on 1st January of the current year. JOR teams must play at least two Qualifiers; one of the Qualifiers must be with the team they intend to play at the Championships.

b) Handicaps – Matches are open. Maximum handicap is -2.
c) Pony Restrictions
i. Ponies must be 138cm (13.2h) or under and be genuine all round Pony Club ponies that have regularly attended non-polo Rallies in the previous twelve months. No polo ponies may be played. In the event of doubt over the eligibility of a pony the onus is on the Branch or Centre Manager to clear the proposed pony with the Section Manager. The same pony must be played throughout the season, except in exceptional circumstances verified by the Section Manager. All ponies may be subject to measuring at tournaments in accordance with Joint Measurement Board rules.
ii. A player and/or pony playing JOR may only play in one team.

d) A player is allowed to play in both HX and JOR Sections if both JOR and HX Section Managers agree and the following conditions are met:
   i. The player is the correct age for JOR
   ii. The player has two ponies, one for each Section, which qualify under the pony restrictions for each Section.
   iii. The player can only play in a JOR team for their own Branch or Centre if they wish to play in HX and JOR Sections.
   iv. If there is more than one JOR team entered from the player’s PC Branch or Centre, the player wishing to play in two sections must play for the least experienced team.

e) Ties – Pony Club Polo rule 4.7 b) applies where a result is required.

f) Umpire – Only one HPA-qualified umpire is required.

g) Finals – The Championship finals will take place at the Cowdray Championships.
4. TOURNAMENT RULES

4.1 ENTRIES

a) Preliminary Entry (Form A) – The names of all players and provisional team numbers are to be submitted to The Pony Club office at the latest by 22nd April. It is not necessary at this stage to place players in teams, but this form will be used as the basis for the Section pools, so players may only appear in one Section. Pools will be discussed at the Spring Branch and Centre Managers’ meeting. Pool players allocated to a Branch or Centre for a Section will be removed if players who are Members of that Branch or Centre are subsequently declared for that Section. Form A is optional for Gannon and Langford.

b) Declaration of Entry (Form B) – This should be sent to The Pony Club Office by 31st May and no late entries will be accepted.

The form is to be completed in full. District Commissioners must countersign the form before it is submitted. For HX and JOR teams the size of each pony must be stated. If there is any doubt as to the size of a pony, e.g. it is near to the maximum height, it may be subject to measuring at tournaments in accordance with Joint Measurement Board rules (see thejmbonline.co.uk). Final team lists will be issued by Section Managers.

c) Tournament Entry (Form C) – **This should be completed online with the entry fee paid in full as a single amount.** The closing date for each tournament will be stated on the entry forms. For HX and JOR teams the size of each pony must be stated.

d) Championships – **This should be completed online with the entry fee paid in full as a single amount.** The closing date for entries for the Cowdray Championships is the last day of the first qualifier tournament. If a team does not qualify for Cowdray the entry can be refunded.

e) Entry Fees – Entry fees for pre-qualifying and qualifying tournaments and the championships will be advised.

f) **Withdrawals** – In the event of a team entering a tournament and subsequently withdrawing, the expectation must be that the entry fee will not be refunded. However, in some situations some refund may be made at the discretion of the Chairman.

g) **Abandonment** – In the event of a competition being abandoned, for whatever reason, a refund of 50% of the entry fee will be given. In such an instance the refund process will be communicated and must be followed.
4.2 SELECTION OF TEAMS FOR THE FINALS

In order to be eligible to qualify for the championships teams must compete in a minimum of three out of the four qualifying tournaments with the players as entered for the championships, except Jorrocks who only need to compete in two qualifying tournaments, one being with the team as entered for the championships. However, the league competitions run through all Friendly and qualifying tournaments – see 4.8.

Selection for the Championship finals at Cowdray will be based on the placings achieved after the qualifying tournaments and as required. Gannon and Langford are based on the placings at the end of the league competitions. Gannon may have two divisions at Cowdray depending on the levels of the entries.

4.3 MIXED BRANCH OR CENTRE TEAMS – THE POOL SYSTEM

In JOR, HX, SUR and REN:

a) Section Managers have the sole authority to sanction players joining teams from other Branches or Centres, even if a player has played for another Branch or Centre previously, or if players from different Branches or Centres train together.

b) When Branches or Centres are unable to raise a team from amongst their own Members, or have excess players, the Branch or Centre Manager should apply to the relevant Section Manager(s) who will, where possible, arrange a mixed team. Only Section Managers have the authority to arrange mixed teams and in doing so they will take into account the location of the Branches or Centres. Under no circumstances may Managers place any player outside their own Branch or Centre nor may they accept a player from another Branch or Centre.

c) If there is more than one team in any one Section from the same Branch, the A team must consist entirely of Members from the same Branch.

In LAN and GAN, Section Managers will operate a pool of players available and give advice if requested. Branch Managers may arrange teams, but Section Managers will check that teams comply with eligibility rules and will approve team entries. Players may not change Branches and the 14-month rule will apply.

While umpires are responsible for the safety of play during a match, Section Managers have overall responsibility for all safety of play in their Sections and have the authority to place players in teams on the basis of...
safety, ability and experience. This allows Section Managers to override the Branch rules, and exceptionally the age rule, where they judge it appropriate on the grounds of safety. The authority to override the Branch rule on safety grounds rests solely with the Section Manager. Where such an exception is made, all Branch Managers in Sections affected will be informed.

4.4 SUBSTITUTION

a) Players

There are no restrictions on substitutions or replacements during Friendly Tournaments except that the player be qualified to play in the section concerned.

From the first qualifier, or in the case of Gannon and Langford the first qualifying match, the substitution of an entered player will only be allowed in the event of injury or other unavoidable circumstances. The substitute must be a Member of The Pony Club and of no better standard than the player he or she is replacing. Priority will be given to pool players who did not obtain a team. Players with a higher handicap (-2 being higher than S), or players who have played in qualifiers in this or previous years in a higher section than the player being substituted, will be deemed better players. The same substitute will normally be expected to play through the qualifiers into the Championships as long as the injured player continues to be unavailable or unfit. The original player will be expected to play if available and fit.

Subject to the above, the preferences for substitutions, in order of priority, are:

- A player who is eligible to play in the Section but has not played in any tournament (e.g. a pool player with no team).
- A player who has not played in the tournament but who is eligible, over one who has played in the tournament.
- A player who has been knocked out of the same tournament over one who is still involved.
- A player from the same Branch or Centre over one from a different Branch or Centre.
- A player from the same Section over one from a different Section.

The Section Manager or, if not available, a Committee Member or Tournament Organiser, must approve all substitutions and ensure that no pony would be played more than the rules allowed. If the substituting player is from a different Section, that Section Manager, or, if not available, a second Committee Member, must also approve the substitution. Matches may be delayed until a suitable substitute can be found.
b) Ponies
If a pony goes lame during a chukka or is otherwise unable to continue, it may be replaced by another qualified pony. The chukka may be delayed until after the next chukka to allow the replacement pony to be tacked up and warmed up.

If there is no qualified pony available within one or two chukkas, each team will nominate any one of their players to stand down so that the chukka can be completed, starting from the point at which play was stopped, with three players on each team. Teams may resume with four players as soon as a qualified pony is available.

4.5 INSPECTIONS
Ponies and equipment will be inspected, individually or in teams, at tournaments. The decision of The Pony Club Polo Committee, if necessary in consultation with a veterinary surgeon, is final.

4.6 VETERINARY
a) Branch/Centre Activities and Competitions – If a vet is required the Member’s parent will normally call their own vet and arrange treatment.

b) Friendly Tournaments – Arrangements should be made for a Veterinary Surgeon to be on call and able to attend the site in a reasonable time. The telephone number should be noted at the commentary point.

c) Qualifier Tournaments – Arrangements should be made for a Veterinary Surgeon to be on site.

A tarpaulin should be available to cover a horse should one be killed, and the telephone number of the Hunt Kennels or Knacker noted at the commentary point. See the Health and Safety Rule Book for further information.

4.7 RULES OF POLO
The rules of the HPA shall be observed, subject to alterations for Pony Club Polo as detailed below. NB: Coaching from the sidelines is not allowed.

a) Matches/Chukkas – In REN, SUR, HX and JOR chukkas are 6-minute duration ending on the bell. If it is necessary to play four chukkas in a day they will be 4.5 minutes instead of 6 minutes.

b) Tie Break Rules – In the event of a tie in a REN, SUR, HX or JOR match, where a result is required, a Pony Club Polo run down will take place:
   • The umpire shall place a ball for each team at the same end of the
ground on the back line between the goal posts and the corner, one team each side of the goal posts. The team that succeeds first in putting the ball over the back line at the other end wins.

- The goal area for each team will be opposite where it started, between the goal posts and the corner flag, but not including the normal goal area.
- If a team knocks a ball out of play the run down is over and the other team wins.
- On a boarded ground the ball may hit the boards but not go over them.
- No player may impede another player or hit the ball of the opposition. If a team knocks the ball onto the opposite side of the ground from which it started, it may continue to hit the ball provided it does not impede the play of the opposition, which shall have priority on its own side.
- The side of the ground each team plays will be decided by the umpire.
- Play will commence when the umpire calls 'play', both teams being behind the back line and the captains having declared themselves to be ready.
- The umpire will ride down the centre lines of the ground. A tournament official, who must be on the goal line, will judge the winner.

In the event of a tie in a GAN or LAN match where a result is required, a tie breaker will take place as follows: A 'sudden death' extra chukka will be played with the whole of the back line being the goal, including between the posts. All players must change ponies. Teams will change ends and the chukka will start from the middle with a ‘throw in’. The first team to score will be the winner. In the event of there being no goal scored at the end of the chukka, there will be a Pony Club Polo ‘run down’.

c) Players given a yellow card will leave the ground for two minutes.

4.8 LEAGUES
League competitions will be run for all sections during all the tournaments up to but not including the Championships and the results will be announced at the last qualifier. Some Sections have League Trophies. The first six teams placed will be awarded points, e.g. 6 for the winners of Division I and so on downwards. Double points will be awarded at designated Qualifying tournaments.

4.9 THE LEDNER TROPHY
The Ledner trophy is specifically to encourage Branches and Centres to recruit players who will play together all through The Pony Club. It will be
awarded for the team from Gannon, Rendell and Langford, in that order, which is not a mixed Branch or Centre team (i.e. a team which comprises players all from one Branch or Centre) which finishes the Championships highest ranked in its Section. In the event of a tie, the team finishing higher at the final qualifier will be awarded the trophy and in the event that there is still a tie, the team finishing higher in the previous qualifier. Additionally, mementos will be awarded in each Section to the Manager of the highest placed complete Branch or Centre team.

4.10 JURY OF APPEAL
The Chairman, or his or her nomination, one other Member of the Committee who has not previously been involved in the matter at hand, and any relevant Tournament Organiser, or his or her nomination, always to be three people, shall act as a jury of appeal in cases of any dispute, protest or objection over eligibility of players or ponies. Their decision shall be final. For disputes on the ground, the umpire’s decision is final. HPA rules regarding the appointment and authority of umpires will apply.

4.11 COMPLAINTS, PROTESTS AND OBJECTIONS
No complaint may be raised directly with an opposing team, player or official. Only Branch Managers, or their appointed representative notified to a Member of the Committee, are entitled to lodge objections or protests. These must be made to The Pony Club Polo Chairman or the Tournament Organiser on the same day and as soon as possible after the incident and they will be heard by a Jury of Appeal. Protests should be in writing accompanied by a deposit of £50 which will be refunded if the objection is upheld. Players, team managers or parents who approach any official with a protest or objection will be referred to their Branch Manager. No photographic evidence will be accepted in support of a complaint, protest or objection.

Any complaints about umpiring must be made to Branch Managers and not directly to the umpire or Pony Club Polo Committee. Branch Managers may then take up complaints with The Pony Club Polo Committee and appropriate Section Managers, but as per the HPA rules of Polo, the umpires’ decision is final, and results of matches cannot be altered after the match has completed.

4.12 PHOTOGRAPHY AND DRONES
The Pony Club rules governing photography by parents, Branches and official photographers will apply to Pony Club Polo – please refer to The Pony Club website. NO DRONES MAY BE FLOWN OVER LAND ON WHICH PONY CLUB POLO EVENTS TAKE PLACE.
5. DISCIPLINE AND BEHAVIOUR

5.1 UNSEEMLY BEHAVIOUR
Unseemly behaviour on the part of riders, team officials or team supporters, whether to each other or to tournament officials or umpires, or any suspicion or complaint that these rules, or the laws of the land, have been broken, will be referred in the first instance to The Pony Club Polo Committee Disciplinary Panel which will comprise the Chairman, or his or her nominee, one other member of The Pony Club Polo Committee not previously involved in the matter at hand, and the Tournament Organiser or his or her nominee, if the incident was at a tournament, otherwise a second Committee Member, always to be three people. The Disciplinary Panel will consider the matter in the context of these rules, and may call witnesses who, if under the age of 18, will be accompanied by an appropriate adult. Failure of a Pony Club Member to attend when requested to do so will be taken into consideration.

The Disciplinary Panel has the power to suspend players from competition while further investigation takes place. In the event of the suspension of a single player in a team, a substitute will be allowed. If more than one player in a team is suspended concurrently, the team will automatically be suspended. The incident may then be reported to the DC of the Branch of the player or supporter for disposition. The Disciplinary Panel shall decide whether the player will be suspended until the DC concerned can deal with the matter.

Where team officials, supporters or parents are found by the Disciplinary Panel to have broken these rules or abused officials or umpires, the Disciplinary Panel has the power to suspend or disqualify teams, or ban individuals from attending tournaments.

5.2 DISQUALIFICATION
The Pony Club Polo Committee Disciplinary Panel may disqualify a competitor at any stage of the competition:

i) for dangerous riding, or
ii) if, in their opinion, the horse is lame, sick or exhausted, or
iii) for misuse of whip, spur or bit, or ill-treatment of the horse, or
iv) for any breach of the rules, or
v) for unseemly behaviour, including bad language.

5.3 COWDRAY CHAMPIONSHIPS
Any player, team official, visitor or supporter who is ordered to leave the ground at the Cowdray Championships may also be banned from the campsite and the Cowdray Park Estate for the duration of the Championships.
6. GUIDANCE TO PARENTS

6.1 These notes are designed to help parents of Pony Club Polo players and prospective players.

6.2 The Pony Club is a largely voluntary activity and Pony Club Polo is a sport. It is by the enormous goodwill and work of volunteers and the polo clubs that host our tournaments that we play at all. Pony Club Polo is great fun, not only for the child but the whole family. But it is also hard work. Although very competitive Pony Club Polo aims to inculcate good team spirit and good sportsmanship, insisting on high standards of turnout and behaviour both on and off the ground. Parents are responsible for the behaviour of their children, both on and off the ground and should set an example to their children of how to respect those who organise their polo.

6.3 Polo is a contact sport. It can be dangerous and there is an inherent risk. Please take note of the disclaimer on page 5 of these rules.

6.4 Branch Managers are key to the whole process of organising Pony Club Polo and are the primary point of contact for parents – see separate section, Guidance for Branch and Centre Managers. Please support your Branch or Centre Manager.

6.5 Ponies – Many enjoy the whole of Pony Club Polo with one pony. However, when committed to GAN and LAN players need to be adequately mounted. GAN and LAN players also have to supply umpire ponies on the day of their matches.

6.6 Rules of Polo – It is important that all players know and understand the rules. The HPA rules test is recommended for all players and compulsory for certain sections. It can be taken even if the player is not a member of the HPA. Contact your Branch Manager for details.

6.7 Umpiring – Good umpiring raises the quality of the game and all Pony Club Polo players are encouraged to take the umpire test at about the age of 15 or with a handicap of -1 or above. Those playing GAN and LAN are expected to have passed the HPA umpiring test.

6.8 Safety – The wearing of face guards/goggles and gum shields (which should be fitted by a dentist) are recommended.

6.9 Treading-In and Litter – It is most important that all players and if possible their parents and supporters tread-in when required especially at the end of each tournament. Do not leave any litter from picnics or sticky tape at the polo grounds. Remember, Pony Club Polo is invited to these grounds and we wish to be asked back. Please make sure you leave the place clean and tidy when you leave.
7. GUIDANCE TO BRANCH AND CENTRE MANAGERS

7.1 The Branch or Centre Manager will be the person appointed by The Pony Club Committee of the Branch, or by the Centre. A close relationship with the Branch Committee should be maintained, particularly when the Branch Manager is not a member of that committee.

7.2 Whilst recognising that Branch and Centre Managers are valued volunteers, there are certain activities which Branch Managers are responsible for to ensure the smooth running of Pony Club Polo:

- Encouraging new players by, for example, staging demonstrations at rallies, camps etc, and encouraging Members to come and watch tournaments and matches.
- Ensuring that hats have been tagged before tournaments start.
- Organising appropriate training and courses for players, and making sure players and parents are aware of any appropriate polo courses, as well as suitable Pony Club rallies.
- Ensuring players are eligible to play in the Section for which they are entered, and have completed the relevant training, rallies, tests, HPA rules and umpiring test etc. for the section in which they intend to play and are Members of The Pony Club by the appropriate date. Guidance on taking HPA tests when not a member of the HPA can be obtained from the HPA liaison committee member.
- Submitting entry forms and stables requirements, including relevant fees, by the due dates with accurate position numbers and ages; submitting changes in positions in time for the Championship programme publication. This year late entries will NOT be accepted – teams and individuals will not be permitted to play.
- Requesting Section Managers to recommend and approve substitutions, when required.
- Appointing Team Managers, if required.
- Acting as the channel of communication between players and parents (or Team Managers if appointed) and the relevant Section Manager – you are encouraged to open up the channel of communication with the relevant Section Managers prior to submission of entry forms.
- Representing the Branch/Centre at Branch and Centre Managers meetings.
- Promoting a positive attitude by players and parents to Pony Club Polo.
• Ensuring players and parents have a copy of these rules and are aware of their obligations under these rules.
• Appoint HPA qualified and Pony Club registered coaches for teams where applicable.
• Ensure that ponies are vaccinated and passports are available at all times.
• Informing the Member’s DC in the event of any disciplinary question
• Maintaining a register of players and other people camping at Cowdray and informing Mike Smith of the register and changes to it.
• Ensuring parents carry out the duties assigned to the Branch/Centre at Cowdray.
• Ensuring that there is a nominated adult camping with those players camping at Cowdray.
• Dealing with complaints from their teams and players and contacting Section Managers if appropriate.

You must be aware fully of the duties that you must carry out as a Branch/Centre Manager and your obligations to: individuals, teams, your DC/Centre Proprietor and The Pony Club, under these rules.

**7.3** Players who are Members of a Pony Club Branch or Centre without an appointed Manager are encouraged to train with a neighbouring Branch/Centre, but must be entered into the pool system with the relevant Section Manager.

**7.4** Branches/Centres must enter competitions online and the fee must be paid as a single amount.
8. COWDRAY CHAMPIONSHIPS

8.1 GENERAL
The finals of The Pony Club Polo Championships are held at Cowdray Park Polo Club where a large temporary campsite, washing facilities and tented stables are established to accommodate ponies, players and supporters. It is important that all visitors to Cowdray Park are aware of the campsite rules, especially those concerning fire and health and safety. Branch, Centre and Team Managers are required to bring the rules to the attention of the players, accompanying family members, friends and supporters attached to their Branch/Centre. The camp commandant and Committee Member responsible for health and safety and security issues is Mr Mike Smith. A security company assists him.

8.2 PARENTAL RESPONSIBILITY
Parents are responsible for the conduct and behaviour of their children at all times during the Championship weekend, both on and off the polo ground. Parents must not expect Branch/Centre Managers or other adults to know of the whereabouts or the behaviour of their children. That is the responsibility of parents or those acting in the place of parents.

8.3 CAMPSITE RULES
a) Branch, Centre and Team Responsibility – Each Branch/Centre must have one nominated adult over 30 years old sleeping on site (2300-0700 hours) and present at all other times; if a Branch/Centre has more than one team, one person must be in overall charge of the Branch/Centre. In the absence of a Manager a substitute must be appointed and notified to Mike Smith.

b) Register – Branch and Centre Managers will be forwarded a camp registration form which should be completed by them or their appointed substitute and submitted along with the Cowdray entry forms. These lists should enable us to maintain an accurate list of everyone attached to individual Branches, Centres or teams who are on the site between 2300 and 0700 hours. This list should include players, accompanying family members, supporters, friends and grooms. In addition to the original lists any alterations should be submitted to the commentary point prior to the end of play each day. This is a major health and safety point as we must be aware of all people resident on site during the night.
c) Contact Numbers – Branch and Centre Managers or appointed substitutes must have 24-hour contact numbers of those parents who are not staying on the campsite.

d) Lights Out – No music or other noise throughout the campsite from midnight.

e) Vehicles – All access for vehicles from 0900 hours on Thursday to 1800 hours on Sunday will be via the Priory entrance. The track through the stables is to be kept clear of vehicles at all times and no cars, lorries or trailers are to be parked on the track or on the stables side of the track. There is to be no movement of vehicles on the campsite from 1800 hours on Friday to 1400 hours on Sunday. If vehicles are likely to be needed during this period they must be parked outside the campsite.

No one without a full driving license may drive any vehicle either in the campsite, around the polo grounds or anywhere on the Cowdray Estate. Motorcycles, ATVs, 3-wheelers and scooters are not allowed.

f) Parking – No cars or horseboxes must be parked in such a way as to block the access of the ambulances, horse ambulances or other emergency vehicles.

g) Bicycles – No bicycles are to be ridden near the polo grounds during the hours of play. Bicycles must not be left lying on the ground near the polo grounds, in the campsite or in the stables area. Any bicycles found in the stable side safety zone of ground four will be removed to an area where they will need to be collected once play has ceased, The Pony Club and HPA do not accept responsibility for the loss or damage of the property of any player or visitor to the Championships.

h) Designated Paths – Do not block the public right of way that runs through the campsite, or the access paths laid to ensure emergency services can have swift access. Designated driveways and paths must be kept clear at all times and any stakes removed to gain access must be replaced immediately.

i) Stables – Tented stable blocks are erected for the Championships and The Pony Club, through Branch/Centre Managers, controls allocation. Stables must be labelled with the name of the player, Branch/Centre and the name of the pony. At the end of the Championships stables must be left completely clear of all rubbish and straw; any team not doing this will not
be allowed to use the stables the following year. Straw is provided for each stable and the use of shavings and paper bedding is strongly discouraged.

NO SMOKING IN THE STABLES AREA

j) Showers and Washing – Washing areas are to be left as you would like to find them. The mobile shower unit will be closed for cleaning for a period each morning.

k) Fires – Bonfires and campfires are not allowed anywhere on the Cowdray Estate. Raised BBQs may only be used in the campsite area and they must be under adult supervision. Barbecues to be enclosed and not with an open flame. Under no circumstances are there to be open fires.

l) Dogs/Pets – No dogs or any other pets are permitted at the Cowdray Championships for safety reasons. Anyone found bringing a dog to the Championships will be instructed to remove it either home or to a local kennels. There will be a fine of £100 to the owner of any dog found on the campsite.

m) Pony Care – Players are responsible for the care of their ponies at all times, ensuring they are regularly fed, watered and have dry bedding. Dehydration is a real risk and playing over three days means that ponies require plenty of fresh water at all times. No pony may be ridden without a bridle and all riders (Pony Club Members and all others) must wear approved riding hats.

n) Property – Players and visitors must take care of their property and not leave wallets, clothing, tack, cameras or other valuables in the open or in unlocked vehicles; more importantly bicycles and other valuables which are left around unattended on the campsite. The Pony Club and HPA do not accept responsibility for the loss or damage of the property of any player or visitor to the Championships.

o) Alcohol and Drugs – Laws governing the sale, purchase and consumption of alcohol must be obeyed at all times. Any unauthorised alcoholic drink in the possession of minors will be confiscated and the child taken back to either their parent or Branch/Centre Manager in order that they are aware of what has happened. In the event of any illegal drugs being found at the Championships the police will be informed and the person or persons involved, or thought to be involved,
will be referred to the Disciplinary Panel (see 5.1) who may order the person or persons to be removed from the site and, if applicable, suspended from play while further investigation takes place under Section 14 of The Pony Club Health and Safety Policy.

p) Smoking – NO SMOKING IN THE STABLES AREA.

q) Polo Grounds – The polo grounds may not be used for stick and ball practise. Lawns I and Lawns II and the area between them are out of bounds at all times.

r) Emergencies – In the event of an emergency during the hours of play please contact the commentary point. At all other times contact: Mike Smith – 07956 615151.

8.4 BEHAVIOUR
High spirits apart, any anti-social or unacceptable behaviour will be dealt with severely, and may lead to individuals and/or teams being disqualified from the Championships. Older players are expected to set an example and to behave responsibly in Midhurst. Players, families and supporters must remember that they represent The Pony Club and must at all times be courteous and respect local feelings.
FIRE DRILL FOR COWDRAY

PLEASE READ THESE INSTRUCTIONS

1. If you discover a fire, however small, alert an adult immediately and alert all those in the area of the fire. Shout FIRE, FIRE, FIRE!

2. Report the fire immediately to the commentary point.

3. Where possible use the fire extinguishers on site. Do not put yourself or others in danger.

4. The official on duty in the commentary box will call the fire brigade on 999 and sound the alarm. After playing hours a Pony Club Polo Committee Member or fire warden or the Tournament Manager will call the fire brigade.

5. When the alarm goes off all those on site must go immediately to Ground 3 and gather in Branches/Centres. Do not attempt to collect your pony or possessions.

6. Branch and Centre Managers will check that their teams and supporters are present and report to Mike Smith. At night (2300 hours to 0700 hours) names will be checked against the campsite register.

7. All players, visitors and supporters must remain on Ground 3 until the “all clear” is sounded.

8. No one may enter the campsite or stables area once the fire alarm has been sounded until after the “all clear”.

9. Fire wardens, who will wear official armbands, and Pony Club Polo officials must be obeyed immediately in the event of a fire or fire alarm.

10. The fire wardens will release ponies in the event of a fire threatening the stables area. All players, visitors and supporters must vacate the stable area immediately on hearing the fire alarm. Only fire wardens may release ponies from the stables.

NO SMOKING IN THE STABLES AREA
APPENDIX A – BODY PROTECTOR RULE

The Pony Club does not make the use of body protectors compulsory, except for all Cross Country riding and Pony Racing whether it be training or competing. If a Body protector is worn for any Pony Club activity it must meet BETA 2009 Level 3 standard (purple label) or BETA 2018 Level 3 standard (blue and black label) – see right.

For general use, the responsibility for choosing body protectors and the decision as to their use must rest with Members and their parents. It is recommended that a rider’s body protector should not be more than 2% of their body weight. When worn, body protectors must fit correctly, be comfortable and must not restrict movement. BETA recommend body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline. BETA 2009 Level 3 (purple label) body protectors will continue to be accepted by The Pony Club until 31st December 2024.

Riders who choose to use the Woof Wear Body Cage EXO must lodge a key with the Event Organiser when they collect their number.

Air Jackets

When an air jacket inflates the sudden noise startles horses in the immediate vicinity thereby causing difficulties for the other members of a ride if used in a group ride in a confined area, e.g. an indoor school or outdoor manège. Air jackets are therefore not encouraged for group rides. If a rider chooses to wear an air jacket in Cross Country or Pony Racing, it must only be used in addition to a normal body protector which meets the BETA 2009 Level 3 standard (purple label) or BETA 2018 Level 3 standard (blue and black label). Parents and Members must be aware that riders may be permitted to continue after a fall in both competition and training rides for Cross Country and/or Pony Racing, provided the rider has been passed as fit to continue by First Aid Providers. In the event of a fall, it must be fully deflated or removed before continuing, after which, the conventional body protector will continue to give protection. Air jackets must not be worn under a jacket and number bibs should be fitted loosely or with elasticised fastenings over the air jacket.
APPENDIX B – HEAD INJURY AND CONCUSSION FLOWCHART

Start

1. Has the member been involved in an incident that could have caused a head injury or concussion, e.g. a fall from a horse?
   - No: No action required
   - Yes: Member to be referred to hospital for further assessment. Member must not ride again that day and should be returned to the care of their parents / guardians. Member should not be left alone.

2. Was the rider unconscious at any point?
   - No: Continue as planned - Member does not ride again for three weeks and should follow professional medical advice about restarting any contact sport.
   - Yes: Member does not ride again for three weeks at any activities and should follow medical instructions given by the medical professional. This may include immediate referral to hospital depending on symptoms.

3. What medical cover do you have onsite?
   - Doctor or Paramedic (Route A)
   - Medical professional (Route B)

4a. Has the Doctor / Paramedic confirmed the member has suffered from a head injury or concussion?
   - No: No action required
   - Yes: Member to be referred to hospital immediately for a suspected head injury for further assessment. Member must not ride again that day and should be returned to the care of their parents / guardians and should not be left alone.

5a. Has the Doctor / Paramedic diagnosed the member as suffering from a suspected head injury and / or suspected concussion?
   - No: No action required
   - Yes: Member to be referred to hospital for further assessment. Member must not ride again that day and should be returned to the care of their parents / guardians.

5b. Has the member suffered a confirmed or suspected head injury / concussion?
   - No: No action required
   - Yes: Member does not ride again for three weeks at any activities and should follow medical instructions given by the medical professional. This may include immediate referral to hospital depending on symptoms.

6. Has the hospital confirmed the member has suffered from a head injury or concussion?
   - No: No action required
   - Yes: Member does not ride again for three weeks at any activities and should follow medical instructions given by the medical professional.

7. Do the parents / guardians want the member to ride again before the three week period has passed?
   - No: Continue as planned - Member does not ride again for three weeks and should follow professional medical advice about restarting any contact sport.
   - Yes: Medical evidence of member’s fitness is required before they can ride again. Note: This letter must be obtained from a medical professional (Doctor, hospital consultant, etc) and dated at least ten days after the incident where the injury was sustained.

Please note, if you are unsure at any stage, follow the ‘yes’ route.
