The Pony Club Coaching Conference 2020

20th February at Hartpury College

This year’s Coaching Conference – Consistent Coaching to Create Confidence, Capability and Competence – will be presented by Paul Tapner and Adam Kemp.

From rising trot to future stars, the Pony Club coach needs to be armed with the skills to help every member learn. The Pony Club Coaching Conference 2020 focusses on helping you create consistency within your training, in both dressage and jumping, no matter what level of Pony Club member you are coaching.

The day is open to all who have an interest in coaching Pony Club members.

Pony Racing Points Series winners announced

The Pony Club Pony Racing Points Series runs throughout the Racing season and allows all members participating at Pony Club Race Days to gain points based on placings and participation. The aim of the Points Series is to recognise members who are performing well in their race and encourage them to progress in Racing.

The Points Series came to a close in October and we were delighted to present the prizes to our winners at Ascot Racecourse just before Christmas.
